AUTOBIOGRAPHY OF BERTHA DUDDE.

At the request of many friends Bertha Dudde wrote the following biography in 1953:

I have been writing messages, received through the inner Word since June 15, 1937. In answer to the many requests of my friends I will give you a picture of my earthly life, a short explanation of what I received spiritually, and my own feelings about all this.

I was born April 1, 1891, the second oldest daughter of an artist of Liegnitz in Schlesien, today's Poland I had a normally peaceful childhood, with six sisters in our parent home. I learned the cares of life at an early age. The desire to make money to help my parents made me learn the trade of a seamstress. As the financial needs of my parents continued, so the burden, and in this way I made myself useful.

My parents belonged to different denominations. Father was a Protestant -Mother a Catholic. We children were brought up in the Catholic faith, but never experienced pressure or force to follow the practices of the church so that each child in later years could pursue their own chosen course.

I myself was religious, but could not accept the doctrine of the Catholic system, although I respected the church. I could not represent something on the outside that my inner conscience had not accepted. So I did not continue to attend church, heard little preaching and had no knowledge of the Bible. I did not read any religious books or scientific literature and did not join any other group or religious sect.

Anyone knowing the Catholic teaching knows what a conscious struggle one finds himself in when he wants to loosen himself from it. I also was not spared from this. But the question as to what is the Truth, and where it is to be found, remained.

Often when I prayed the Lord's prayer I would beseech the Lord to allow me to find HIS kingdom. This prayer was answered in June 15, 1937, as I prayed quietly and waited on the inner voice. In this attitude I persisted often, for a wonderful peace came over me and thoughts which came to my heart, not my head, gave me comfort and strength.

Still I did not know that these thoughts were given to me, until in a strange dream I experienced something, which later proved to be the Truth and caused me to write down these thoughts.

So on a certain day as I listened inwardly a stream of words came to me, which I wrote down. This was the first message I wrote which started like this: **"In the beginning was the Word, 'a TE-DEUM' to the Creator of Heaven and Earth."**

Then came doubt,did you write this by yourself? In short, I have wrestled, prayed and gone through many struggles, but again and again the words came to me like a stream, a wisdom, which made me tremble. Then GOD HIMSELF took away my doubts. HE answered me and I acknowledged HIM as our Father, in HIS Word. My faith grew, doubt diminished, and I received and wrote daily.

The contents of the writings were beyond my understanding. Phrases, which I had never heard of, or read about, strange and scientific expressions and references continually came to me. Then came unheard of expressions of the Heavenly Father's Love giving refuge and providing enlightenment to all the questions of life.

The "Words" came to me in the following manner: After sincere prayer and a short period of composure I listened inwardly. Thoughts then followed coming to my mind, clearly, distinctly, and the words flowed smoothly always three or four, one after another, like writing a radio announcement or a weather report, slowly so that I could easily keep pace, writing line after line.

Now, I write the words in shorthand as a dictation without having any constructive or intellectual part in it. I am in no way in a 'trance', nor do I even form the sentences, but it comes to me one word at a time, neither do I understand the context while I am writing the words down.

After days, sometimes weeks, I transcribe the shorthand writings into longhand without changing or correcting a syllable. Each dictation takes about half an hour. I must stress that this could not happen forcibly or in a state of ecstasy. It all takes place simply and consciously, without any excitement or influence of my

own will. I can interrupt myself at any time and finish the sentence after hours or days without reading the previous writing the dictated words continue again.

My will is under no compulsion, all that I desire is to serve GOD and do what HIS Will wants me to do.

I can truthfully say that I was led into this Truth, and these concepts were, in all respect foreign to me. It was only after years that I found confirmation of what I received, when I came to know the writings of Jacob Lorber. No one can imagine my joy when I discovered the literature of Jacob Lorber; "The Great Gospel of John" and the "Youth of CHRIST" Then I understood that other people were given the Word of the Lord, that GOD had spoken to HIS children at all times and that GOD will continue to do this in HIS endless Love and Mercy.

I found in Lorber's writings the same as was given to me. I often could not understand the word that came to me, but in HIS Love the Heavenly Father gave me the explanation. How wonderful are the innumerable manifestations in which the Father displays HIS exceeding great goodness.

It became clear to me that my short education, due to lack of money and my lack of time to read good books or visit performances, became my advantage. I could now concentrate on my work from early morning to late at night, and each day I received that precious spiritual Word without knowing for whom I received it.

It is because of my ignorance of the Bible and the Catholic doctrine that I accepted the Word from Above without resistance. In my experience an earnest Catholic or Protestant whose knowledge is rooted in dogmatic theories is too much bound to their dogma to accept and embrace Divine revelations without resistance.

Still there are scientists at several faculties who earnestly discuss these Divine teachings with increasing interest. Their interest does not only concern the irrefutable explanation of the origin of matter and the possibility of its dissolution, but also the principle of the wrong teachings of different religions, systems and confessions. In the messages I received these errors are recorded and everyone is urged to give instructions concerning these doctrinal errors whenever there is an opportunity.

But everyone is free to take the LORD's Word to heart or not. But whoever understands the spirit in the Father's Word and does not act accordingly makes the distance between himself and the Father even greater. When he does not follow the warning words of Love he puts himself inevitably under the law. He will also in the same measure lack in Grace, disregarding GOD's commandment of Love.

In GOD's Grace people are led anew to the gospel, which emphatically points out the purpose of man's being. For the merciful Love of GOD seeks to save all who still can be saved before the turning point comes. And it will come. The end-time of which seers and prophets have proclaimed is now here. According to the revelations given to me, the LORD does not differentiate between HIS children. "Come ye all to ME" sounds HIS call and blessed is he who hears HIS call and follows HIM. GOD Loves HIS children. HE wants to make them all happy, even when they do not want to know HIM.

Apostasy of the beings Voluntary ascent

When the beings came forth from Me they were in a brightly enlightened, completely free and inconceivably powerful state For I created them in My image, in all perfection, and that signified unlimited bliss They could have remained in this state forever Yet as a sign of their divinity they also possessed free will. And this free will changed their nature into the opposite they became imperfect, lost their light as well as their strength, and as a result they lost their freedom. They became enslaved because they had misused their freedom and opposed My will They left My eternal order. A violation of My order, however, had to have negative consequences and these beings became wretched Only light, strength and freedom is bliss, on the other hand, an enslaved being without light and strength experiences a state of torment, but which it had created itself through its wrong will But since all beings emerged through My strength of love I took pity upon their painful state, for I Am and remain a God of love, I Am a supremely perfect Being Which can only ever emanate love because love is My fundamental nature. But I Am also a Being Which creates and is active with boundless wisdom and might and to Whom it is therefore always possible to turn everything that is wrong into right again Nevertheless I must allow My created beings to keep their free will, and this will is the decisive factor as to whether the being accepts My help. However, since it had deprived itself of light and strength on account of its deliberate rejection it was no longer able to use its will. And thus it was placed into a state of compulsion by Me where My will alone was the decisive factor

This enabled the being to gradually ascend from profound darkness and the state of utter weakness and come closer to Me once more until it could finally leave the state of compulsion and receive its free will back in order to use it again, and this time for a correct attitude towards its God and Creator It must enter the law of eternal order again and change itself back into the original being it used to be in the beginning The moment it voluntarily subordinates its will to My divine will it also attains light and strength again because it upholds the principle of divine order, because it has shaped itself into love and its thoughts and will are only determined by love. Hence love guarantees the being light and strength and freedom The rejection of love, however, reversed its fundamental nature into the opposite So although the being I created is able to voluntarily change itself entirely into the opposite, it can nevertheless not cease to exist Therefore it cannot remain in a state of darkness and weakness forever, yet neither can it be forced into changing its nature, I can only help the being, which is no longer able to use its free will, such that a free decision will be possible for the being again. This is why I take care of what became wretched and let it go through countless many stages of development under the law of compulsion in order to wrest it from My adversary's control who is to blame for the wretchedness of the beings which came forth from Me in light and freedom Nevertheless, the complete change into the original being and therefore a return to Me can only take place through a decision of free will For each being must provide the evidence of its divinity, it must voluntarily have entered My will, it must desire light and strength and freedom and seriously strive towards Me again, from Whom it once distanced itself and thereby became the most miserable being Only in unity with Me can there be light, strength and freedom, consequently, unlimited bliss is only feasible when the being has changed itself into its fundamental nature again, when it has become again what it was in the beginning when it came forth from Me Myself in all perfection

God's plan of Salvation is based on the human being's free will

My work of returning the fallen spirits is based on My eternal plan of Salvation and according to this plan of Salvation everything will run its course over infinitely long periods of time for which you humans lack all concepts. My plan of Salvation has been designed again in love and wisdom and My power implements it, consequently, one day I will reach My goal that all fallen spiritual beings will start the path of return to Me into the Father's house. Yet the implementation is not determined by My will alone, but the free will of the beings, which were once created in all perfection despite which they fell away from Me, decides the length of time this said return to Me requires, thus every single being determines for itself how much time its process of development, its return to Me, will take. Therefore, My plan of Salvation is also based on the free will of each individual being which is a fact that is inconceivable for you humans but which I deemed to be essential if one day I want I to be surrounded by truly free and totally devoted children to Me, because this is the purpose and goal of My eternal plan of Salvation I knew each and every being's will from the beginning, both as original spirits as well human beings later, when the original spirit has had to prove itself and once again can decide of its own free will which path it wants to take I knew your direction of will and was able to design My plan of Salvation accordingly, which includes your every thought and expression of will and is based on these accordingly. And truly, it was planned such that every being can cover its process of development with ease, because I will always helpfully stand by its side when it is at risk of making a wrong decision. Time and again it will be able to make a choice but not be forced to make the right decision, yet his destiny will affect a person such that the right decision will always be closer at hand, that inwardly he will be urged to take the right path but that this urging may never be felt as compulsion.

My love applies to every individual being, and whatever I can do to shorten its course of development until the final return to Me will certainly be done by Me. And thus no person will ever be able to say that his situation in life forced him to make an opposing decision My wisdom is truly beyond all doubt, and thus I foresaw all opportunities which served a person to make the right decision and based My plan of Salvation on this. Admittedly, I also forever know the direction of every individual's will but during his time on earth as a human being I do not want to know it, and thus the human being can nevertheless make a free decision, for precisely because of his wrong will I let destiny so affect his life that he has every opportunity to change his will, and My side will eagerly support him in this for 'there is joy in My kingdom over one sinner that repenteth' This should be understood as a complete change of will which is indeed intended in My plan of Salvation but does not definitely determine this said plan of Salvation. You are completely free during your life on earth, and even if I know you are by no means bound, because originally you were entirely free beings and this freedom will not be taken from you as soon as you live on earth as self-aware beings again or even when you enter the kingdom of the beyond No force of any kind is exerted on you, and what or how you are was created by yourselves. But My plan of Salvation also plans an assured and final return into the Father's house However, the day will come it is just that the time it takes can be brief but also very lengthy, and this is taken into account in My plan of Salvation, always in consideration of your will, which is free and cannot abide any kind of force. But the fact that you will reach your goal one day is certain, and it is equally certain that a thousand years are like a day to Me, that no law of time exists for Me You yourselves, however, are still subject to this law, your imperfect state keeps you bound to the law of time, and that is extremely painful for you, for your distance from Me is a painful state which you immeasurably prolong again if you don't unite with Me if you have not achieved your return into the Father's house as yet. I would like to protect you from this long state of torment, therefore I will urgently admonish you time and again to use your will correctly, that is, to subordinate yourselves to My will, of which you are repeatedly informed. Receiving My Word and thus the knowledge of My will is part of My plan of Salvation, which will be implemented with love, wisdom and might but you will always be at liberty to consider it according to your own will. Consequently, the length of time you require for your return differs considerably but it can already be over for you at the end of your life on earth and can finally have resulted in freedom, light and strength, if you strive for it yourselves and make every effort to desire My help for it for this striving is already the correctly directed will which safely lets you reach your goal

Amen

Duration of returning to God

And even if the work of return will continue for eternities one day I will achieve My goal that everything I once had created and which had fallen away from Me will return to Me of its own free will and thereby 'living creations' will have become 'children', as it had been My plan since eternity. The duration of the process of return entirely depends on the spiritual being which, during its last test of earthly life as a human being, has to prove its will. And since free will so often fails because it cannot pass the final test, one period of Salvation is not enough, and time and again new developmental eras are required. And therefore one can speak of eternities until this process will have been accomplished one day.

Yet the processes of development are times of adversity and torment And for this reason alone I aim to shorten them for you, and My constant concern is to influence you such that you will preferably reach your goal during one such developmental process, during one period of Salvation that you will improve your nature and sincerely look for unification with Me, because then you will also be close to your perfection and close to the goal. To Me a thousand years are like a day I personally don't mind how long you will take to return to Me, yet you are the ones who will suffer if you excessively prolong your time of return and thus also have to endure immeasurable agonies and adversities And since I love you I take pity on you, and only for this reason I try to win you over sooner, for only I know how much time lies behind you and subsequently also ahead of you, if you will fail in this earthly life I know your process of development and would like nothing better than that it should be finished when you leave your last form as a human being on this earth I don't want you to suffer even longer; I would like to make you all blissfully happy in My kingdom But I will only be able to do so if you have shaped yourselves such that you are close to your original state. If this transformation has not taken place during your earthly life I cannot spare you a repeated process through the creations, and then it will take eternities again until you have to make your decision of will again as a human being on this earth. For only free will can take you close to the goal, even if My love for you is infinite I nevertheless cannot ignore your will and provide you with a fate which you do not deserve as a result of your will, which is still against Me and therefore you cannot be called perfect either. And fate corresponds to maturity or, only the will determines the fate of the soul, the once fallen original spirit, who shall return to his source by himself to Me, Who is God and Creator to all of you, but also your Father. One day I will reach My goal, one day you will return to Me again But how much time it will take is determined by you yourselves in the stage of a human being Hence you are burdened by a tremendous responsibility during the time of your earthly life, and you should always remember this and do what I ask of you through My Word. For in My Word I Myself come near to you in your earthly life and inform you of My will. If you comply with it, you will also be close to your perfection, and you will still reach your given goal before your earthly life comes to an end. And then the dreadful torments and adversities will be over for you, and you will enter into My kingdom, which is a kingdom of light and bliss and which you will recognise as your true home. And I only would like to call on all humans: Take care that you will reach your goal during this earthly life, use your will correctly, and then you will live in accordance with My will, then you will also change your nature and become once more what you had been in the beginning beings, which are allowed to take pleasure in light, strength and freedom close to the Father's heart beings, which are infinitely happy

Amen

Free will must strive for what is a Divine plan, namely, transformation of 'living creations' into 'children', into true gods...

God's perfection knows no limits of time and space

Aeons have passed by already and aeons will yet pass, and there will still be creations in the universe, because infinitely many once-fallen spirits are still awaiting their salvation, because innumerable spiritual beings, hardened in their substance, are still waiting for their transformation into matter and the higher development of all these spiritual substances requires eternities until they have become a self-aware being again which can conclude its development but which can also fail, and this requires an infinitely long time once more until its ultimate spiritualisation. You humans will wonder why I, the Eternal Divine Spirit, the Creator and Lord of everything in existence, resolved to undertake such an activity in infinity in the first place, why I created spirits and did not prevent them from falling into the abyss, from revolting against Me and, in a manner of speaking, becoming opposed to Me and why I want to change the attitude of these spirits in My favour again And you will ask yourselves what motivated Me to let countless creations arise, which are basically these fallen spirits And I will have to keep giving you the same answer, that both the creation of perfect beings as well as the rescue of the beings which became imperfect was motivated by My infinitely profound love and that My unsurpassed wisdom also devised a plan by which I will achieve My goal one day that My unlimited power was able to bring anything I wanted into existence, that no restrictions exist for Me and this awareness is My whole bliss which I would like to share with other beings, but then they must also have the same nature as I have Myself. All My reign and activity in infinity only serves the one purpose of educating My once 'created works' into true gods, into supremely perfect beings which, as My 'children', can create and work with Me and with the same will. Since I Am perfect no limitation exists for Me, which is the reason for the endless number of the created and of the fallen spirits and the infinitely long lasting periods of time these spirits require until they are what I Myself was unable to create: true children, My images, which work with inconceivable happiness in the spiritual kingdom. By forming a correct concept of Me and My Nature it must first of all also be clear to you that no limitation can exist for Me, otherwise I couldn't be called supremely perfect, since a limitation is always a sign of imperfection Neither time nor space is limited for Me, neither love nor wisdom and power

And thus I will always and forever be active and nevertheless have a goal: the complete deification of all beings which were brought into life by Me. And this complete deification necessitates the created being's free will, which can join Me and My will but also oppose Me without being prevented. For only free will is true life without this free will everything is just a dead creation having emerged from My power but without the involvement of love and wisdom. For Love created beings for Itself which it wanted to please, and Wisdom drew up the plan of 'deifying' the 'created' beings Love gave 'life' to the being, for only free will signified life, whereas a being, were it forced to fulfil My will, would be and remain a dead being, which was certainly created in highest perfection but at a loss as to what to do with this perfection were it bound to comply with My will. In that case all created beings would only have been offshoots from Me and not something I externalised as independent beings, which could neither want nor act freely like I Myself And this, in turn, would have questioned My love and wisdom which, however, are the epitome of My Nature, the epitome of supreme perfection. The soul requires a degree of maturity in order to have knowledge of My act of creation, otherwise it would not be receptive for such knowledge, for it does not merely concern the information but also the understanding for the processes regarding the emergence of Creation as a whole as well as for the infinitely long time needed in order to complete the work of return And since you humans are unable to imagine infinite times and unlimited space you can only be given an indirect explanation. Nevertheless you should know that to Me a thousand years are like a day and that sooner or later the day of returning home into the Father's house will come for every being, even if eternities will still pass by, that the bliss will then make up a thousand fold for all previous states of torment and that this bliss, too, will never come to an end which you humans likewise cannot understand because you have only a limited thinking capacity but that you then will also love Me, your God and Creator, your Father of eternity, with all your heart, with all the sincerity you are capable of, and that you will also most eagerly take part in the redemption or beatitude of all beings which have not attained the final goal as yet. For then you will be driven to do so by love which will have reached a degree that you will be able to accomplish whatever you want. For then you will have completely entered into My will and thus have become gods, My children, which I will never ever lose again

Amen

God's act of creation and goal

The act of creation was the result of My love both the creation of the spiritual beings in My image as well as all earthly-material creations after the apostasy. My love wanted to give itself, it wanted to find itself again in the beings made in My image, which essentially were miniatures of Me. I was impelled by My infinite love to place such beings next to Me in whom I could find Myself again and to whom I could give My unlimited love. The fact that these beings fell away from Me was known to Me from the start and I did not prevent them from doing so, because it was their free will and because only then was it possible for Me to have 'children' next to Me instead of 'living creations', which was the goal of My act of creation. It will certainly take a long time until the deification of My living creations has been achieved, yet time means nothing to Me, but the goal I set for Myself has also been the cause of the various earthly-material creations, for they are the path which the once fallen spiritual beings will have to travel in order to return to Me, from Whom they once came forth. And even if this process of deification requires an infinitely long time until the being has undertaken it of its own free will one day it will nevertheless be able to create and work next to Me and then be indescribably happy. Yet in the meantime it will have to pass through many seemingly endless phases in constriction and torment at first in solid matter and then in the plant- and animal world until it has reached the stage of a human being, where it enjoys a certain amount of freedom but not the kind of freedom which had been its original state.

However, it can attain this freedom as long as it lives as a human being on earth. Since the being emerged from My love, and thus its fundamental substance is love too, it need only allow itself to be illuminated by Me and thus direct its hitherto averted will back to Me again Then the being, which had become disfigured due to its wrong resolve, will change back to its fundamental nature of love again And then it will also deify itself in line with My eternal plan and I will have achieved My goal: My living creation will have voluntarily changed itself into My child and is incomparably happy But this re-transformation into love is always subject to free will. And in the stage of a human being this free will can also turn in the wrong direction again without being prevented by Me Hence such a process of re-transformation can also take an eternity, because free will is never interfered with and therefore the being determines the duration of its wretched state itself. Nevertheless, it is able to reach its goal in one developmental period and it will be supported in every way to reach its goal. For My love pursues the being because it is a living creation that had emerged from My love. Thus you humans can see what an important factor free will plays in your earthly life, which is not subject to compulsion, neither from My nor from My adversary's side And thus My only endeavour is to teach you to recognise the significance of your free will so that you will then direct it appropriately. I can only ever influence you to direct your will correctly but not force you, just as My adversary is unable to do, but he can influence you just the same in order to gain your will for himself. However, you must make your own free decision and blessed are you if you take the right path, if you find your way to Me and strive for unity with Me again, from which you once voluntarily detached yourselves Blessed are you if you, in this earthly life as a human being, succeed in reaching the goal during one period of Salvation that you will become free from every form and thus be able to enter into eternity as free and fully enlightened beings of light when your existence on this earth has come to an end

Amen

Living creations becoming children of God

It pleased Me to furnish you with all your abilities but the development of these abilities is left up to you I created you with all the aptitudes to shape yourselves into gods but you have to make use of these aptitudes. For I gave you free will which must now strive for that which is My plan: your transformation from living creations into children This is something I cannot accomplish by virtue of My power as then free will the characteristic of divinity and perfection would be excluded. Thus all prerequisites for 'becoming God's children' are in place, only free will has to step into action now thus you yourselves have to want to shape yourselves into My children, you must accomplish the deification of your nature yourselves. And for this purpose you were given life on earth. You were created in perfection and able to use your free will from the start, which belonged to a perfect being as well You, who are embodied on earth, misused your free will, you did not use it in a positive but in a negative way even though, as perfect beings you had full realisation which, however, was not allowed to impede your expression of free will You voluntarily chose a different lord and turned away from Me in other words you voluntarily forfeited the perfection which characterised your divine nature by not resisting ungodly thoughts and cravings, by taking pleasure in them and thus excluding the principle of love the epitome of perfection and you thereby also distanced yourselves from Me, the eternal Love Your free will managed to do this, for the abilities bestowed upon you would have sufficed fully to deify yourselves You could just as easily have voluntarily allowed yourselves to be governed by everything of a noble, good and perfect nature, you could have given your love to Me and striven towards Me as a Father with all your senses and you would have demonstrated that you were and wanted to remain perfect, divine beings

Thus you fell of your own free will which subsequently had to accept the consequences: to reach from the abyss, under far more difficult conditions, the previous pinnacle again Sooner or later you will have to pass this required test of will, therefore you had to travel an infinitely long path because you had sunk so infinitely low as a result of your own fault. Yet I helped you out of this abyss because in your weakness you were incapable of achieving it on your own However, I constrained your previously free will in order to prevent you from falling back You took the path through the works of creation with your will bound until you reached the stage of a human being But now you have been given back your free will and must face having to take the test of will again the same task is expected of you all over again: to deify yourselves voluntarily, and that is only possible if you transform yourselves into love if you change your inherent selfish love into unselfish neighbourly love if you make the principle of love the guiding principle of your intentions, thoughts and actions. You have the ability to do so but you must develop it yourselves And with the right will you can certainly succeed and then you will have reached the goal, if only by making a long detour, after an infinitely long time However, it is possible for you to fail and once again not pass the test of will, then you will have to linger for an infinitely long time in a state of imperfection and far away from Me again I will always offer you the opportunity to reach your goal, nevertheless, your will is free and this determines the length of time until you reach perfection.

Amen

Freedom of will Divine order State of compulsion

Throughout an infinitely long period of development your soul attained a degree of maturity which permitted its embodiment as a human being so that now, as your real Self, it is aware of itself and able to live its life on earth of its own free will admittedly with a task yet not forced to accomplish it. You humans ought to know what free will means for each being you ought to know that free will must be left to you because it is the attribute of divine living creations During your previous time of development this free will was indeed constrained but only because you had forfeited your divinity yourselves, because you voluntarily strove away from Me, your God and Father of eternity and thereby became ungodly So I bound your will in order to enable your return to Me By constraining your will I was merely helping you so that you would be able to use your freedom of will in divine order again, which was impossible in your previous state of development. Your will once took the wrong path I directed it again according to My will The spiritual beings took the path of My eternal order in a state of compulsion. Yet it was not intended for them to stay without free will forever because they should become divine beings again, as they were in the beginning, which also irrefutably requires free will. Your existence as a human being is therefore granted to the spiritual being for testing its will The past sin of having misused free will must be recognised in a state of free will and through using the will correctly, deification must be attained again The being must voluntarily strive towards higher spheres, just as it had once voluntarily fallen away Thus, free will is the explanation for many things which seem incomprehensible to you humans Although I can certainly always help you and do so in every way however, you must accomplish the transformation of your nature into divine living creations yourselves, otherwise you would never be able to attain the degree which is the requirement for deification Because I want to gain children, I don't want to equip creatures without will with abilities which they must use according to My will My goal is to surround Myself with children who are able to create and work freely, whose will is in total accord with Mine but nevertheless free My goal is blissfully happy living creations full of light and strength which strive for their happiness, their light and their strength of their own free will and which, for this purpose, must go through earthly life as human beings in order to pass their test of will whom I will certainly always support but never influence forcefully because this would render eternal freedom and beatitude impossible I let you keep free will yet I always help you to use it correctly and it will always be possible to arrive at your goal. This is why earthly life is of momentous significance for you, for it decides your state in eternity, which you create yourselves of your own free will

Amen

During the earthly life, in the stage of the free will as a human being, there again is a possibility of decaying back into the abyss... The opponent is again allowed to influence a creature and the creature itself decides who will gain power over him... And it is the final test of the will...

Informing the soul about earthly life

As soon as you ask Me a question I will answer and instruct you, so that you understand correctly and all ambiguity is lifted: The earthly progress of a human being's embodied soul of the once fallen original spirit is a difficult test of its will which is as free as it was when the original spirit came forth from Me. For it is fought over by two sides and it alone will determine the outcome of this battle. Spiritual guardians will always stand by its side but they may not interfere with its free will And at the same time countless adverse forces endeavour to cause the human being's fall once more However, it is possible for him to master the latter by unwaveringly turning his will towards Me and thereby constantly receiving strength to resist and pass his test of will.

But since the original spirit is still completely without knowledge at the onset of its incarnation as a human being; since, due to its apostasy, due to its rejection of My light of love, it has deprived itself of its light, knowledge and awareness, it has to be instructed, and this takes place from outside and from within through My spiritual spark inside of him which ceaselessly urges it into doing kind deeds, and then also imparts an inner light to the human being. In addition, I will always direct a human being's circumstances such that he will be able to learn from them, because time and again spiritual guardians will influence his thoughts to take the right direction, to muster the will to turn to Me, and then I will be able to work exceptionally in him Myself. Thus I take every care that the original spirit will be able to reach its objective as a human being during its earthly existence once it has expressed its will to undertake this final test of will as a human being. But no soul no original spirit having passed through the creation in the state of compulsion will be forced into this final incarnation The state of compulsion comes to an end the moment all small particles of an original spirit have congregated again, and from this moment on this original spirit will be free once again, it will not be subjected to coercion, neither from My nor from My adversary's side It will be able to determine its own fate. During the time of its higher development from the abyss its resistance to Me will have diminished to a point that it will then be fully mature in order to live on earth as a human being, yet it will have to accept this gift of grace voluntarily And therefore it will also be informed of its earthly destiny As a result of My permission the original spirit realises that it is not yet at home where glories await it, and it wants them But it also realises that only the development as a human being will lead it back into its lost home It also knows that it will have to occupy a form again, and this knowledge can still delay its life as a human being But as a rule it will readily accept the embodiment as a human being and feel strong enough to pass its final test of will.

But it should make its own free decision and therefore it is shown its earthly progress by observing itself in various situations and, believing itself able to overcome them with ease, is thus also willing to travel the final path in the form However, I know every single original spirit's degree of maturity, and I Am able to let it visualize its earthly progress like a vision, I also know how this dream-like occurrence affects the individual soul and Am able to induce its embodiment into the human form accordingly, which only becomes a living being when the original spirit has taken possession of it.

You humans should believe that everything is possible with Me, that I Am even able to touch a completely blind spirit with a spark of light to enable its vision for a few moments and that these moments suffice to activate its will, which the original spirit is able to use again once all its substances have reunited You should also know and believe that I do not require any length of time and yet My will brings forth what I consider necessary And this expression of will by an original spirit to accept the human form is necessary, for it has left its constrained state and should now also freely decide to accept its earthly progress as a human being. But the human being's physical body only becomes viable when the original spirit has occupied it as a 'soul'. Only then will the person be guided by his guardian angels, he will be gradually familiarised with knowledge, and will then have to mature as a human being first before his free will and intellect can rationally express themselves It is the last process of development on this earth which can give complete deliverance to the original spirit providing

it takes notice of the small voice within, of the inner urge which is the manifestation of the divine spark placed by Me into the person

But during earthly life My adversary has the same claim on him, and he will also try to assert it The human being is at all times subject to influences from above and below, however, he himself has to decide who will gain power over him. And this is his final test of will, that he consciously strives towards Me as his God and Father, and no-one can make this free decision for him, nevertheless, he is granted assistance in every way because I, too, long for his return and, like a truly good Father, will guide My child by the hand if only it will reach out for it and allow itself to be drawn by Me For I want all My living creations to become blissfully happy, and I have truly taken all possibilities into account in order to achieve this very goal of Mine

Amen

Free decision of will

The infinitely long path of your development through the creations of earth is coming to an end if you travel the last short stretch of the path as a human being in the right direction if you strive towards Me Myself and thus consciously accomplish your return to Me when you pass the final test of will on earth when you make the right decision, thus dispose of your opposing will towards Me, from Whom you once originated. Then you will truly have accomplished your work of transformation, as 'My living creation' you voluntarily became My 'child'. You have surmounted the deepest depths and ascended again to the highest peaks. Although as humans you indeed travel the last short stretch as self-aware beings, you have no recollection of the endless time of your preliminary development and of the awful torment this path meant for the spirits which were once created as free beings As a human being you will remain ignorant of your previous life and your actual purpose of earthly life until you have voluntarily looked for and found the connection with Me, which now reveals knowledge to you that will also impel you into serious striving for your final state of perfection. This knowledge can certainly be conveyed to fellow human beings too, so that they will live their earthly life more responsibly but it will rarely be believed as long as a person does not make contact with Me by way of thoughts, prayer or actions of love Since evidence of his previous existence cannot be given to him he will not gladly want to accept what he is told about his soul's path through all works of creation through the mineral, plant and animal world. This is why his sense of responsibility for his life on earth as a human being is small. But since it concerns the free decision of will he must find the path to Me himself He must learn to recognise Me and for this he will receive help in every way. For he can think, he can use his intellect, and even if it does not necessarily reveal the truth to him he can nevertheless use his intellect to also think about a God and Creator to Whom he owes his existence.

If such thoughts affect him he will also somehow or other form an opinion of them And the direction these thoughts take is up to his free will. However, as soon as he merely takes the possibility of an infinitely long previous time of development into account it will already be of benefit for his soul, for such thoughts will not leave him again and he will question the actual purpose of earthly life, then he can also be certain that many an explanation will be conveyed to him mentally which he will accept and also make him consciously strive to fulfil his purpose of earthly life. The human being certainly comes into this world without any kind of knowledge but I will always make sure that a small glimmer of realisation shines for him, that he will always encounter a light on which he need only kindle himself in order to recognise the path he should take in order to ascend. The fact that he is not forced in any way does not exclude that he won't have ample opportunity to make a free decision, and the beings of light which look after him will also help him gain realisation by way of providence yet always without coercion. But life on earth as a human being is of greatest significance since it can, after all, result in the final completion of the souls' path through matter and enable them to pass into the kingdom of the beyond as free and unburdened spirits However, the human being can also fail his final test of will and enter the beyond in an unredeemed state But even there it is still possible for the soul to find and call upon the divine Redeemer Jesus Christ and to ascend gradually. But it can also live an entirely unspiritual life on earth and be banished again into matter, that is, it will have to take the same path of development through the creations of earth once more, which is so appalling and requires such an infinitely long time again that I will truly support people in every possible way in order to protect them from this dreadful fate of a new banishment. In the end, however, it is the human being's will which decides And therefore I keep trying to influence the will such that it will turn to Me by itself For then his soul will be saved even if it is not yet fully mature when it finishes its earthly life as a human. But its will has chosen Me and that also signifies the right decision and thus a passed test of will. Everyone should listen and think about it as soon as he is informed of his development and his task on earth He should merely take the possibility into account and it would truly already be beneficial for him, for wherever possible the beings of light which guide him through earthly life will intervene and try everything in order to make him use his will correctly so that he can finish the path through matter, so that he will seek and find Me and then also be saved for all eternity

Amen

In the state of compulsion progress is guaranteed But as human being?

In all My creations, whatever they may be, developmental progress takes place, even if you humans are unable to observe it Yet you should believe My Word that nothing will fall back again into a state that had already been overcome This can only occur in the human stage because the human being is at liberty to travel the path of ascent or slide into the abyss again. And if you consider that it took you an eternity before you were allowed to embody yourselves as a human being, if you consider the infinitely long path which one day had to lead you to this incarnation for sure, you would also feel responsible during this time on earth, which is truly just a short time compared to the length of time of previous embodiments through the most diverse creations.

And yet, precisely this time as a human being is decisive for your later fate. For prior to this you travelled the path across earth in the state of compulsion, you could do nothing else but comply with My will and had to progress without fail. But now your way of life is a matter of your own free will What you had to do during your preliminary stages to be of service is now up to you, you are no longer compelled but love should motivate you to do so, however, you have to kindle this love yourselves, then your service will be an easy one and your course of life will lead to further progress Hence it is most important in earthly life that you are informed of the significance of a life of love, that you know its effect and the danger of a lack of love, which could result in your setback and would be dreadful for you. In the past I pulled you up Myself because you were pursued by My love which time and again created opportunities so that one day you could embody yourselves as a human being. But now I have to withdraw My will from you, I have to leave it up to yourselves to aspire to further progress Although I have given you the wonderful gift of grace for your earthly life as a human being by placing into you a tiny spark of My divine spirit, a part of Myself you have to ignite it yourselves, which is your task in life I had to give you this spark of love or you would have completely fallen prey to My adversary again who now also has the right once more to fight for your soul, which was not possible for him before. And thus on the one hand you indeed have to expect his onslaughts but you nevertheless have a counterbalance My divine spark of love with which you can keep him at bay, against which he is powerless always providing that you yourselves nurture this spark within you, that you make full use of My gift of grace, for then you will safely attain the goal that was given to you for earthly life.

However, if you ignore this spark of love then you will be subject to his control, he will always pull you down further and be able to dominate you again since you would grant him this power yourselves. In that case, however, the whole of your previous earthly progress would have been in vain and I would be unable to save you from another fall into the abyss

For this reason it is tremendously important that all people know about the Gospel of love, that all of you know what consequences a life of love entail and also know that you are responsible for your earthly life yourselves. For I can do everything, I can provide you with all opportunities, I can direct your destiny such that you will be able to find Me, but I cannot force your free will. You have to make the final decision yourselves, and all blessings are at your disposal for you to use Nevertheless it is up to you whether and when you reach the pinnacle from where you will no longer be able to fall into the abyss

Amen

State of responsibility Receptive hearts

You passed through countless stages Thus you are looking back on an infinitely long path of development, on a time span which you are unable to measure because you are incapable of grasping such infinitely long periods of time. Still, they are behind you now or you wouldn't live on this earth. Although a retrospection of the time behind you would certainly make you better understand the importance of your life on earth, it would not help your soul as it would only travel its earthly path driven by fear if it were able to remember the past and became conscious of the endless agonies it previously had to suffer during the time of higher development. Nevertheless, the fact cannot be denied that you had to live through such a period of development and that this period has almost reached its end now But the latter is determined by yourselves The gravity of your earthly progress rests in the fact that you can end an infinitely long lasting state of torment or prolong it again endlessly that you shape your future destiny yourselves during the time of your life on earth. For an infinitely long time you could not be held to account, since during that time you had to live according to divine will, you were subject to the law of compulsion, you were subordinated to the law of divine order and had to act according to God's will. And in this law of compulsion you moved upwards again to the point that the embodiment as a human being could take place. But now your life is no longer free of responsibility, for you determine its course and the success of your free will yourselves And this time is only very short and every person could live it expediently and gain the highest possible perfection from it, for all means are given to him, nothing impossible is expected of him, instead, he is helped in every way, his weakness and imperfection are in every way accounted for, so that all means which enable his soul's full maturing in free will are at his disposal. However, he is expected to rise above himself A personal effort is expected of the human being which neither another person nor a spiritual being of light can provide for him otherwise there would truly be no unredeemed soul on earth anymore, because the love of these beings would already have redeemed everything that is still wretched. The final perfection, however, must be accomplished by the person himself And he can certainly do it, for God's love is so great that it pours unmerited blessings over all his living creations in order to fetch them back into the Father's house, in order to win them over for Himself and to save them from the adversary, who had held them captive for an infinitely long time. But His greater than great love cannot work unlawfully it must, in order to become effective, find open hearts into which it can flow unimpeded. And this 'opening of the heart' must be done by every person himself, free will has to become active, the person must consciously desire God and His illumination of love, then he will also become voluntarily receptive to the divine flow of love, and then there cannot be any other way but an ascent to higher spheres, to the light, to God, for the love of God is so strong that it will draw everything to itself that does not resist. The very short lifetime on earth is intended to achieve the human being's return to God, it is intended to eliminate the resistance, the human being is meant to overcome himself, since at the start of his embodiment as a human being he is still in opposition and strongly holds onto God's adversary who uses every influence in order to reinforce the person's opposition. And this opposition consists of the fact that the human being nurtures selfish love, which totally contradicts the love of God and which is like a closed door which does not allow anything through it, because selfish love believes itself to be self-sufficient and thereby only proves its own arrogance, which is part of God's adversary. Humility, however, recognises its Lord and God a humble heart pleads for mercy and widely opens its door for the One Who wants to favour it with His love The point of earthly life is that the human being should relinquish his resistance, which irrevocably ties him to God's adversary that his free will seeks his God and Father and appeals to him for grace. Then it will truly be granted to him in abundance and his life on earth will not be in vain, for divine love will flow to him in profusion, and since love is light and strength, the soul must become bright and strong and mature during its lifetime on earth, regardless of how short it is compared to the infinitely long time before. A receptive heart is the guarantee that it will attain perfection, for where the love of God can shine darkness can no longer exist; there will only be light and happiness, the entitlement of perfection, the entitlement of beings who voluntarily attained perfection on earth

Amen

Correct direction of will - total freedom

The path you travelled until now was a path of captivity, when you had to do what My will demanded of you Such a path would never have provided you with happiness, because you can never be happy without freedom and strength and must be of service against your will when you live in a certain bondage even though the lord, who was to blame for this bondage of yours, had no control over you. You were held in bondage and you still are, even though as human beings you received free will again, thus you can do as you please and decide for yourselves. However, now this lord of yours has a certain amount of control over you again, which had previously been taken away from him You ought to know that you should use this apparent state of freedom in order to liberate yourselves totally, in order to completely free yourselves from your ruler's control. And this liberation has to be endeavoured and accomplished by you yourselves, thus you must use your will such that you only ever do what helps you to attain permanent freedom My adversary, however, still being your master, uses his power by influencing your will, by presenting all that as worth striving for which is, in fact, not suitable to release you, it will only ever chain you more firmly to the one from whom you should release yourselves. After the previous infinitely long path this time of free will signifies an immeasurable grace, and if you avail yourselves of this grace the state of slavery will end for good, the apparent freedom in your earthly life will become an actual permanent condition, in which you no longer need to fear being harassed or influenced by My adversary, thus you will be and remain truly free for all eternity

Nevertheless, you can also succumb to his influence during the time you were given for testing your will and can strengthen the chains instead of loosen them And you don't realise what you throw away by using your will wrongly, by yielding to and fulfilling My adversary's will A life of inconceivable bliss lies ahead of you which you voluntarily relinquish purely to spend your short lifetime on earth in pleasure which is only felt by the body. You are not aware of this but neither do you believe it when the knowledge of it is conveyed to you But during this short lifespan on Earth I must respect your freedom of will I will neither deny My adversary the right to influence you nor prevent you from using your will wrongly For it depends entirely on you as to whether I or My adversary will win you over, you yourselves must decide your fate in eternity, you yourselves bear the responsibility for your earthly life, but time and again you will be admonished and cautioned, you will be taught and informed about your task during this short time everything will be done in order to make you take the right decision, your will, however, remains free, and if you therefore strive towards the abyss again you will indeed attain it just as you will infallibly reach higher spheres if your will chooses thus. Your lifetime on earth is only short, but the consequences of your life on earth extend for an infinitely long time or even for the whole of eternity. For as long as you are still not free you are also wretched and far from your original state And this can be changed by you; you can become again what you were in the beginning and therefore also be immensely happy Don't let this time of grace pass you by unsuccessfully, make use of your granted freedom, so that you will release yourselves from the last fetter, so that your soul will be free and unburdened and able to lift itself up into the kingdom of light, into your true home, so that it can return to Me, its Father of eternity, and remain with Him forever

Amen

Although both sides affect the man during his life on Earth, neither God nor the opponent are able to forcibly affect him so that he would want and act in a certain direction... A man is free to decide his own will and can only in this way achieve perfection one day, but he can also stay far away from his Father for an infinitely long time....

B.D. 5301

Free will is fundamental eternal law Attaining beatitude

I cannot redeem people's guilt against their will; I cannot make them blissfully happy as long as they are imperfect of their own volition. I cannot grant them eternal life as long as they prefer spiritual death. I can do everything apart from enslaving the will of that which I created out of My strength of love. For I created perfect beings which are inconceivable without free will. However, the fact that they gave up their perfection, that they therefore also lost their realisation and strength, was the result of their free will, which could just as well have increased the perfection insofar as that My created being could have striven freely of its own accord for light and strength, thus demonstrating its perfection lawfully, i.e., of its own free will. Freedom of will allows for moving upwards as well as downwards Hence, the fact that the spiritual being fell was its own fault Now it must voluntarily strive upwards again in order to attain the original state, and I can never take this free will away from the being again, otherwise I would offend against Myself, against the fundamental law of eternity. Do you now understand why I cannot arbitrarily help you humans to ascend? Why you must achieve the transformation from the abyss into higher spheres yourselves? Do you now understand why I can only ever influence your thinking so that you direct your will towards Me and thus consciously strive to reach Me? Do you understand why My love is constantly concerned that you, who had already spent an infinitely long time before you were allowed to embody yourselves on earth, will finally reach your goal?

You were truly granted an extensive period of time in order to achieve this change of will and nature, yet one day even the longest space of time comes to an end, and you are facing this end I cannot arbitrarily shape you such that you can enter eternal life, you must lend a hand yourselves, for it is always My will to accept you into My kingdom, My will would never reject your will if it desires to reach Me, just as it once turned away from Me and pulled you into the abyss Worlds will vanish before the last spiritual being has accomplished this transformation of will Nevertheless, My love wants to help you humans so that you will not remain distant from Me for eternities to come, so that you will not remain for eternities in a material form, which either keeps your will bound or, as a human being, gives you the final opportunity to reach your goal of uniting yourselves with Me again You should know that you, as a human being, are at the last stage of your development on earth, that you can release yourselves from the material shell in order to then enter eternity as a blissful spiritual being. Know that you can become blessed if you want it, but that I cannot help you attain beatitude against your will Let yourselves be admonished and warned by My Fatherly love, take advantage of this short time and shape yourselves such that you can unite with Me, that you become what you were in the beginning, blissful beings who were able to be work in an abundance of light and strength Consider your purpose and seriously strive to reach your goal as long as you live on earth, for the day will come which concludes your earthly course of life, the day will come when the time has expired which you were granted for your complete redemption, for your ascent into the kingdom of light Use the time before it is too late

Amen

Free will Opportunity for ascent

Your will is not subject to compulsion, neither on earth nor in the kingdom of the beyond, that is why it is so difficult for you to arrive at perfection because spiritually you may not be influenced such that you effectively will be forced into implementing actions which will benefit your soul. Everything is based on free will, even though many people would much rather doubt than acknowledge this, but it is nevertheless the most important factor in earthly life and will remain so in the beyond. For against his will no human being will be able to become blessed, against its will no soul will attain enlightenment, otherwise all spiritual beings would have been redeemed by now. But free will is part of the being created by Me or I would have created something imperfect and that can never happen. The being was in My image, it was an emanation of My fundamental nature and anything 'divine' is unthinkable without free will. Free will was the cause of the being's apostasy from Me free will is also the basic condition of return to Me No side neither Mine nor My adversary's side will be able to forcibly influence a being into wanting and acting in a particular direction The being freely determines its own will and can only in this way attain perfection one day, but it can also remain far away from Me for an infinitely long time.

And if you humans think about this then you will also understand the battle on earth, for good as well as evil forces try to pull you over to their side by striving to influence your will with notions which you should take up by yourselves. Both directions, the light as well as the darkness, would like to win your will over for themselves, but neither can force you, in the final analysis it remains your own decision and therefore you can only be influenced by being informed of teachings, of My Word, of all pros and cons and then you will have to decide as to whether or not to accept these notions. And this free will concerns your innermost attitude and not always that which you actually do. You can also be prevented from implementing your will, but the innermost intention and thinking are decisive for the direction of your will, and accordingly your will affects your soul and promotes or prevents its perfection. But free will is a divine attribute, it identifies the human being as a being which once originated from Me, which I created as a totally free entity that was not intended to be different than its Creator and which would also have remained in this perfection had it not misused its free will but for which it had to have the capacity or the being could not be called 'free'. This is why the process of returning the spiritual beings is a work which will extend through eternities, because freedom of will is the crucial factor, since the being will never be forced to decide for or against Me It has to remain completely free. However, greater than great will be the bliss of the being which voluntarily finds its way back to Me one day which turns its will in the right direction so that it will return home to the One from Whom it once came forth in all perfection

Amen

Free will

Only your will determines whether you achieve perfection on this earth. Hence earthly life is a matter of your free decision of will. But this does not relate to earthly questions or opinions about earthly plans, it is purely a matter for your soul to make the right decision which Lord it accepts above itself. But the human being cannot be forced by either side to make this decision, consequently 'free will' cannot ever be refuted, in spite of the fact that people repeatedly attempt to do so. Only the human being's innermost thoughts matter and this is not subject to any force. For this reason the person can only be influenced by ideas, speeches and various events which are thus intended to affect his thoughts (his will). And this is attempted by the divine as well as by the God-opposing aspect. However, it is always the person's own decision to which influence he submits himself (yields) The human being's will is free Hence one day he also has to be accountable for the direction he gave his will, because he was given his life as a human being for the purpose of testing his will and sooner or later the soul has to endure the consequences of its will's decision.

The human being is able to turn his will towards God in every situation of life And he can equally submit himself to His adversary but he will never be able to hold anyone responsible for his decision of will, neither his fellow human being nor a worldly power, neither God Himself nor His adversary, because it is entirely up to his free will whether the direction of his thoughts aim towards God or His adversary But his destiny is always determined by God such that he can easily find God, as long as he no longer offers Him inner resistance which thus is determined by his free will. People are inclined to refute free will because they are not always able to do what they want to do, however, it is not always a question of what they do, but what they want. Because they can be prevented from carrying out actions, again due to the effects of spiritual influences but the volition itself cannot be prevented. Therefore the human being should be critical of himself with regard to the direction of his will's expression because during his life on earth he knows that he is expected to turn towards God, because God Himself constantly conveys this information to him and he does not live his earthly life entirely without knowledge But since he is also influenced by God's adversary it will be inevitable that he has to think about it, and therefore he is already urged to make a decision

And thus this, too, is the battle between light and darkness, which has to be settled by the person himself and which would be inconceivable without the human being's free will, otherwise only the positive and negative powers would fight each other and one power would then emerge as winner But this is not how the battle between light and darkness should be understood, because it concerns the human being's soul which, in free will, makes its own choice regarding itself. The human being's life on earth is therefore an uninterrupted chain of experiences, discoveries and impressions which stimulate his thinking and which can also enable his thoughts to move into the right direction. But since God's adversary was granted the right to fight for the soul as well, his thinking will also be subject to negative influences and then he has to make his choice. And the intensity of his resistance to God determines the outcome, it determines the soul's fate after the body's death, which can be exceedingly joyful but also intensely painful. However, irrespective how the will decides God's love never abandons the soul, and if it does not achieve its goal in this earthly life it will indeed delay its salvation for an infinitely long time, but sooner or later the right decision is made by the will, since God's love is strength which the soul does not oppose forever

Amen

God's blessing Plan of Salvation Change of will

My hands rest upon you with My blessing, you will feel it and sense an inner peace. For My blessing is a gift of strength, My blessing is the help you need in spiritual and worldly adversity. Thus be comforted wherever you may go, for I escort you, I walk next to you and you will safely reach your goal. Someone who only has Me at heart need not fear any downfall, I carry him through difficulty and danger into a safe haven. I only want to win you over, your heart and your will I only want you to lift your eyes up to Me so that you turn to Me again, just as you once turned away from Me. And I see what goes on in your heart, even if your mouth remains silent, if you outwardly give no sign of your affinity to Me But I will not let go of My hand again, I will always try to strengthen your bond with Me until you have finally entered into union with Me, until the goal has been reached that was set for your path of earthly life Nevertheless you should know that his direction of will is left up to each person You are not compelled to think one way or another; your thoughts will always remain free even if you are forced into specific actions For were I to forcibly influence your will you would be Mine already, since this power is truly at My disposal; however, it would neither make Me nor you so happy that you could praise yourselves blessed forever Yet a free decision of will for Measures the most blissful fate, and that is what I want you to have. As long as you have not attained knowledge of My eternal plan of Salvation you cannot grasp the implication of such free decision of will either.

For there is more at stake than the short time of your earthly existence, it concerns eternity, it concerns something that exceeds your comprehension as long as you cannot be placed in a state of realisation by My spirit, which enlightens you also in regards to that which so far was incomprehensible for you. Even if the knowledge of it were conveyed to you, you would nevertheless not understand it as long as you have not established a bond with Me But you can rest assured that no human being who sincerely desires it is denied this realisation. What once threw you back, what once deprived you of this realisation, what turned you into imperfect beings, was solely caused by your apostasy from Me, by your deliberate separation from Me although you will never ever be able to disconnect yourselves from your God and Creator. Therefore it only requires you to deliberately turn towards Me again in order to lead you back to the light of realisation, to strength and to your once perfect state. For this reason I only seek to achieve redirecting your will towards Me. You will indeed only be truly happy again in your conscious bond with Me I, too, long for My children who once left Me as a result of their conceited thinking, this is why I incessantly pursue them with My love and try to persuade them to return to Me nevertheless, I often use means in which you humans are unable to recognise the love of a Father for His children And yet, it is love a love which wants to make you immeasurably happy and which only ever tries to reach the goal that the child will find the path to the Father in order to remain with Him forever

Amen

The burden of the original sin is constantly pushing down again and again and he would never have been able to resist the will of God's opponent if Jesus Christ would not have helped him, if He would not give him a stronger will which He acquired for all people through His death on the Cross...

Change of will Jesus Christ Mercy - Light - Strength

Anyone who knows the guilt of the spirits, which was the cause for creation, the cause for the earthly progress and people's lives on earth, will no longer resist Me, for this knowledge is the result of directing the will towards Me This knowledge can certainly also be presented to those whose will is opposed to Me. However, they will never regard and accept such knowledge as truth, they will only ever consider it a mental concept which they reject as being 'conceived' by people. In that case they will never be illuminated by the light of realisation because this requires the said change of will which turns a person into My child that has returned to Me. Neither his own mental activity nor a communication from fellow human beings can bestow the right realisation onto a person, for this is like a light which I Myself ignite in a person, but I can only do so once he has voluntarily turned to Me But a voluntary turning to Me also testifies of his will to relinquish his previous state of resistance and to travel the path back which once led him away from his Father. Hence it is a conscious turning back and therefore also a confession of his past wrong doing of his sin against God The will to serve Me confirms this unconscious admission of his former guilt when, through the rejection of My love, the being exalted itself over the One Who merely wanted to give Himself away The appeal for strength and grace is likewise an admission of guilt, the realisation that his past sin had deprived him of everything that had been his share in the very beginning A person who is still entrenched in his old sin will not call upon the Father for strength and light and grace, because he does not acknowledge Me, thus he is still immersed in his original sin, and therefore he will never accept the truth of the kind of information which draws his attention to his sinful state

And therein also rests the great significance of a change of will, for it repeals the past state of sin but can never be accomplished by a person's own strength, because the fall into the abyss and the sin had been too immense to enable the completely weakened being to change itself again And therefore only the One who can remedy the weakness of will has to be called upon, Who died on behalf of these beings on the cross so as to be able to strengthen their will for walking the path back to Me Anyone who feels truly remorseful has already handed himself over to Jesus Christ, he has made use of His blessings which He acquired on the cross for the sinful human race For a turning to Me will also always be connected with the acknowledgment of Jesus Christ since the light within a human being can only shine in full strength, that is, bring realisation to a person, once he has been redeemed by Jesus' blood, since prior to this My spirit cannot work in the person to enlighten his thinking and restore the order which is a divine principle. The acknowledgment of God and subordination to His will also always results in the acknowledgment of Jesus as the Son of God and Redeemer of the world For anyone who unites with Me again steps out of his state of darkness and also brightly realises the mission of the man Jesus and the significance of the act of Salvation He wants to return, and that also means a return to enlightenment, it means the receipt of strength and grace it means receiving My love in abundance he admits his guilt and appeals for forgiveness. The being's feeling of distance from Me, its God and Creator of eternity, expresses itself in its prayer for grace, strength and light It has relinquished its past arrogance, returned to Me with profound humility and is now able to receive blessings, strength and light without measure The guilt is written in the sand The divine Redeemer Jesus Christ has redeemed it Himself

Deification Spiritual spark

You shall be united with Me for all eternity You shall enter into My kingdom and work and create in unison with Me for your own happiness You shall work according to My will and yet of your own accord, not being determined by My will, only then will you be My children, only then will you be united with Me forever. But this heartfelt bond is only the result of overcoming the abyss which is the task every 'living creation' has to accomplish which wants to shape itself into a 'child' The path out of the abyss makes great demands on the creature, yet these demands are always attainable because My love constantly draws it upwards and because My love supports every living creation where its strength is not sufficient Hence, it is only expected that the living creation's will desires its ascent from the abyss, then it will never lack the strength to reach the goal, because the being's will in the past also caused the opposite its fall into the abyss and separation from Me However, everything that strives away from Me is and will remain weak since it rejects My strength of love and only when it is willing to accept it again, will it also have the strength to travel the path back to Me, into the Father's house The just punishment for the voluntary apostasy from Me would be eternal damnation, thus eternal separation from Me which signifies extreme agony for a created free being full of light and strength Yet My greater than great love for My living creations does not allow for this, consequently, an opportunity was created for 'Love' to regain the renegade spirits without evading 'justice' Eternal Love Itself redeemed the guilt I came to earth and atoned for the immense guilt so that the return of the once fallen spirits became possible again, yet it depends on the will of the living creation And in order that this will should turn to Me again, in order that I would be aspired to as the highest goal by the beings in the abyss, I influenced these beings through My spirit i.e. the love, which is My fundamental nature, whose strength brought everything into existence, also looked for a way to enter the hearts of My living creations which had already started on the path of return to Me within the framework of My eternal order but which nevertheless must one day voluntarily profess as to whether they want to continue on the path to Me or return to the abyss again

At this stage of free will, as a human being, My love tries to influence him again by providing him with a tiny spark of My spirit of love to accompany him, which shall influence him if the person allows for it. The human being is able to remain in constant contact with Me by means of this tiny spiritual spark but he is not compelled to establish this connection Nevertheless, the spirit within the person is an immensely helpful factor which offers the guarantee that a person will find unity with Me providing his will no longer offers open resistance to Me When I Myself accomplished the act of Salvation as Jesus, the human being when I took the immense guilt of sin upon Myself and atoned for it, it cleared the path from the abyss to higher spheres for the first time But then I also conveyed to people who were willing to take this path the strength they had hitherto lacked I Myself made contact with them and no longer left them without help I Myself associated with them through the spiritual spark yet leaving it up to each individual as to whether he wanted the connection with Me for I do not impose Myself and My spiritual strength on any living being but I make it available to them so that everyone can be permeated by My spirit and its strength, providing he wants it My spirit is My part It is the strength of love which, in the very beginning, flowed through all My living creations, but their rejection resulted in their fall into the abyss. All people can receive My strength of love again without restriction once they have liberated themselves from their past guilt of sin by acknowledging Jesus Christ as Redeemer and by appealing to Him for forgiveness of their guilt Only then will they be able to receive the divine strength of love from Me, then My spirit will be able to take effect in them, then I can 'pour out My spirit', and the connection with Me will have been established to the extent that a relapse into the abyss will no longer be possible, that the path of ascent with the final goal of total unity with My will have been effortlessly travelled and My living creation returns to Me as My 'child' into its Father's house. Without My help this would be impossible, precisely because the creature had forfeited all strength However, My love grants it this strength again, My love unites itself again with the living creation if it is willing to return to Me My love sends My spirit to all My living creations in order to guide and instruct you, in order to show you the right path to Me

Conclusion of earthly progress only with Jesus Christ

You have come a long way already but the fact that you are still walking on earth is proof that you have not yet concluded your path of development with exception of those who incarnated on earth for the purpose of a spiritual mission and whose souls thus had previously covered this progress of development and had found admission in the realm of light But I speak to you humans who are not yet perfect, who once had deserted Me and had to walk this long path of development so that you can now, at the human stage, voluntarily take the last test of will, the passing of which ensures your entry into the realm of light. Hence you are not yet perfect but you have ascended from the deepest depth to the height, if only by law of compulsion The depth had to release you because My will had intended this long path for you which pulled you away from the force of My adversary, or your ascent would have been impossible But now he is given his rights once again because you are still his property since you formerly had followed him into the depths voluntarily and this free will has not yet made the new decision: for him or against Me, Who longs for your return but will not force you if you willingly want to stay with him.

Thus, at the human stage My adversary once again applies his power by influencing your will but he is unable to force it as you have to decide of your own accord which Lord you choose. However, I cannot stop him using all his persuasions to chain you to himself I cannot stop him from using ploys and to tempt you, only to keep your soul or to regain it if he has already lost it You now have to face him voluntarily yourselves and fight against him if you want to free yourselves from him. And you really need not fear his strength because you have a strong Helper by your side Whom you only need to ask to win the battle with Him: Jesus Christ, your Redeemer from sin and death Even though you, as human being, have already overcome the deepest abyss, even though you, due to My help, have also come considerably closer to Me during the infinitely long period of development yet the burden of your original sin due to your desertion from Me constantly pushes you down again and you would never be able to resist the will of My adversary if Jesus Christ would not help you, if He would not give you an intensified will which He Himself had acquired for you by His death on the cross.

My adversary's power over you is too great that you could resist it with your own strength But you are guaranteed a supply of strength by just giving yourselves to Jesus Christ and requesting Him to take upon Himself the guilt of which you are not yet released and which therefore inescapably chains you to My adversary Jesus Christ, in Whom I manifested Myself, will now take on the guilt because with His death on the cross He has paid the purchase price for all souls to the adversary who now has to release the souls, if they themselves want it And with His help you can conclude the path of your earthly life, with His help you can become free of all guilt and enter through the gate into the realm of light, which otherwise is closed to you, but which will be opened by Jesus Christ for all souls who voluntarily have decided to take the way to the cross to liberate themselves from the burden of sin. As human being on earth you only have a short time at your disposal but it is sufficient to completely release yourselves from every form, however, this always depends on the human being's attitude towards the Divine Redeemer Jesus Christ because your former sin consisted of your rejection of Me and in the resistance of My strength of love In Jesus Christ, however, you shall know and acknowledge Me Myself, then you will also consciously accept My strength of love again and then nothing stands in the way of your unity with Me Then the infinite long walk through the creations of earth and as earthly human being has led to the right goal it resulted in your liberation and you are once again candidates for My kingdom which will admit you and offer you blessings as it was in the beginning

Amen

God's or the adversary's entitlement over the soul is determined by the person himself

You will never master your passions and weaknesses by using your own strength, for My adversary's strength, who propels you into these feelings, is stronger and you will always succumb if you don't appeal to Me for help, if you don't call upon Jesus Christ for strength and to support you against your enemy. He will hear even the faintest call for help and you will be helped without fail. But also bear in mind that the adversary will not instantly slow down in his struggle for you and your souls Time and again he will try to influence you in the same way, over and over he will try to inflame your cravings and passions anew, this is why you will have to repeatedly fight him again and each time turn to Jesus, Who is the only One who can help you. You can only release yourselves from the lord who still has control over you during your earthly life by calling upon another Lord for protection. And I Am waiting for this call, for then I will also be entitled to snatch you away from him, because I bought this right as Jesus, the man, through My sacrificial death. But you must understand this correctly I Am truly not lacking the power to deprive him of his rights, however, I will not use violence against the one who emerged from Me first, whom I still love and whom I also want to regain through the path of love He must recognise that I Am superior to him and he can only recognise it when he sees how one being after another voluntarily releases itself from him and desires to come back to Me I will not force any of his followers in this way, I will not deny My adversary his rights, because his adherents once acknowledged him voluntarily as lord, and I will only use My entitlement for the being if it calls upon Me in Jesus Christ and through its call once again recognises and acknowledges Me as its Lord.

Anything that does not voluntarily turn to Me I will leave to him, thus his power depends on the once fallen beings which live on earth as humans and during this time should make a decision for their Lord for or against Me For this reason My adversary will use all his influence during this time to tie you to himself, to disclose all your bad qualities, to awaken all craving and to develop anti-divine sentiments in you. Then it is up to you whether you succumb to his influence or muster the will to release yourselves from him. And since you are too weak on your own you need help, which, however, is at all times at your disposal if only you call upon the One Who died for you on the cross in order to pay the purchase price to the adversary for your souls. Therefore, because of My death on the cross force is no longer exerted when I liberate you from him. I Am merely perfectly entitled to fight for your souls as well, to help you if you ask Me for it. And with My help you will assuredly be able to undo all shackles, you will free yourselves from every weakness, for as soon as you are willing to detach yourselves from My adversary you enter My sphere of light and strength again and whatever you want will also happen But it will not be a one-off battle, for time and again My adversary will try to pull you back into the abyss And since earthly life is purely about your decision of will, your will must also prove itself again and again, but you will find it increasingly easier the more sincerely you unite yourselves with Me in Jesus Christ, until he finally surrenders the battle and realises that he has lost you to Me forever And for this reason you humans should not worry or become disheartened if you are repeatedly approached by temptation, for you are not without support providing you only want to belong to Me. Only your will decides which lord takes possession of you, and by merely handing yourselves over to Me in Jesus Christ just once you will never ever detach yourselves from Me again, you will also resist every temptation since then you will fight the enemy of your soul with My strength and therefore always be victorious because Jesus Christ fights by your side and My adversary will truly have to admit defeat to Him

Amen

Redemption requires free will

I merely want your assurance that you want to listen to Me, and from that moment on your life will be focussed on your goal, for then it will be in My hands to lead and to teach you such that you will reach your goal. I cannot have a decisive influence on your earthly life as long as you have not voluntarily given Me this assurance, but I can instantly take your destiny into My hands as soon as this assurance has voluntarily taken place. If you understand that it concerns the battle for your soul between Me and My adversary, whom I have to grant justice insofar as that I won't forcibly take from him what belongs to him then you will also understand that I first require this assurance for you to become and eternally remain My Own. It is only this free will which entitles Me to exert My influence and help you in the battle against the enemy of your souls, who will not cease fighting for you as long as you are not yet completely devoid of weaknesses and flaws, which identify you as his followers. Thus he has still power over you as long as you cannot detach yourselves from him completely, that is, as long as the adversary's characteristics are still within you: faults, weaknesses, cravings and all kinds of vices, which are his inheritance since his apostasy from Me. As to whether your detachment from him will take place one day depends on your will for this reason I died on the cross for you as Jesus, the man, thus I redeemed you from his power. Prior to this it would have been impossible for you to withdraw from his power, since you had handed yourselves over to him as a result of the original sin and he would never have released you from his control. However, I paid for this sin with the crucifixion Consequently, the whole of the spiritual world would have been redeemed from that moment on if I did not respect the free will of those beings who opposed Me For every being's will is free and it can stay with the lord of its own choice.

Therefore, My adversary's followers can remain with him, and their will shall be respected, I will not forcibly snatch any being from My opponent which belongs to him and does not express the will to be released from its present lord. Hence, such a being will remain unredeemed even if it takes eternities before it desires to be delivered from him These beings are unredeemed despite My death on the cross But as soon as its free will turns to Me, as soon as the being in the state of a human, when it receives its free will again, deliberately turns away from My adversary and towards Me, thus as soon as it wants to become and remain My Own, My act of Salvation comes into force and I Jesus Christ and Father of eternity take possession of this person and start to release him from My adversary, which happens according to his strength of will to fight against his faults and weaknesses. And he can constantly request this willpower from Jesus Christ, and he will do it, too, because he believes in Him. The belief in Jesus Christ and His act of Salvation is the prerequisite for the person to appeal to him for the blessings of the act of Salvation. This is why an unbeliever cannot find redemption, for Jesus Christ Himself must strengthen the person's will to release himself from the adversary. However, I will never ever leave anyone once he turns to Me voluntarily, and he can take his redemption as guaranteed, for I will tirelessly fight for him and through transferring strength to him will help him release himself from his faults and weaknesses. And time and again I will influence his thoughts, thus never exclude him from My loving care, consequently no person will remain unredeemed whose will strives towards Me, who tries to fulfil My will and deliberately withdraws from My adversary. I only require the human being's will, I only require the acknowledgement of Jesus as Son of God and Redeemer of the world in Whom I Myself accomplished the act of Salvation for people, in order to then be able to grant them the blessings of the act of Salvation which consist of strengthening the human being's will, of being able to receive the strength to achieve the re-transformation into love. And I only ask for a constant bond with Me so that the strength can always flow across to you and you can do justice to all spiritual and earthly tasks which are expected of you time and again in this earthly life. Only the direction of your will towards Me decides whether and when your redemption will take place, but in this way it is certain that it will happen, otherwise My act of Salvation would have been accomplished in vain, but this would have to be called the greatest misguided teaching if someone were to advocate it. Jesus Christ has redeemed all people, but only those who want to be redeemed will partake of the blessings of the act of Salvation But anyone who wants will indeed become blessed, because his will entitles Me to snatch the soul from My adversary because I have paid the purchase price for it with My blood

Amen

Strengthening of will through Jesus Christ Assessment of will

The will is enough where the deed cannot be implemented For you humans are judged according to your inclination of will However, this does not absolve you becoming active, from employing your will, providing the latter is feasible. For words alone are not enough, your resolve must be serious, and a serious will indeed do whatever is within a person's power but that you will also be given strength as soon as I recognise your serious will goes without saying, otherwise I would be unable to hold you to account for omissions you could have acted upon. Nevertheless, you need help in order to be able to make a firm decision in the first place The only purpose of your earthly life is your free decision of will, but you would hardly make the right choice were this will not strengthened through Jesus Christ. Although every person is capable of direct his will towards Me, he would nevertheless repeatedly succumb to weakness of will again and therefore often fail to implement his will; yet changing his will towards Me already enables Me to guide him to the Salvation work's source of divine grace it enables Me to provide him with strength and to influence him through My spirit, so that he will be impelled into actions of love And thus he can already receive an influx of strength if he complies with this inner urging. But only through help by Jesus Christ will assured spiritual progress be possible, otherwise his will would keep flagging again as a result of My adversary's temptations, who still has power over a person as long as he is not yet released from his guilt of sin. All the same, a will inclined towards Me is very highly valued by Me and I won't rest until the human being has taken the path to the cross For I truly have sufficient means at My disposal in order to achieve this, if only the person allows his thoughts of Me to take effect in him. Then I will also be entitled to fight for this person against My adversary. If, however, a person approaches Jesus Christ consciously, his resolve will not so easily weaken anymore, for then he will consciously pursue the goal and also always let the deed follow the will and thus ascend and attain maturity of soul. For Jesus Christ's help does not solely consist of strengthening the will but also in the creation of opportunities to actively practise neighbourly love However, My adversary knows how to limit even kind-hearted activity, he understands how to harden his followers' hearts such that they will prohibit loving actions for their fellow human beings. And these followers are real vassals of Satan For they decisively intervene in the spiritual development However, they won't achieve their purpose, for where people's loving activity is prohibited I assess the will and credit it like an accomplished deed. And My adversary will manage to achieve that My divine commandments of love will be repealed where the will is still so weak that it does not offer inner resistance. Yet I evaluate the human being's heart and not the externally visible deed but neither do I absolve anyone able of implementing this deed from accomplishing it Thus you have yet another explanation, that and why I expect actions of love from you, that and why the serious will to help is judged in the same way where the action must necessarily be omitted. Yet I Am not satisfied with the will alone which, without becoming active, is lacking the required sincerity. However, as long as you have not yet taken the path to Jesus Christ, your resolve will still be very weak, therefore you should avail yourselves of the blessings of the act of Salvation in order to come out of this weakness of will. But then you will pursue your goal with great vigour by complying with My will: To become absorbed in love for Me and your fellow human beings and to thereby acquire the heavenly kingdom for yourselves

Amen

God – inclined will is a successfully passed exam on Earth...

God-inclined will is the passed test on earth

Those of you who looked for and found Me will never ever lose Me again. Admittedly, as long as you live on earth you are exposed to My adversary's influence, yet once a person's will has turned to Me I will have taken hold of him and prevent his relapse into the abyss. However, I Am talking about a serious person's will who strives to Me in a fully conscious state Where this seriousness is not yet present My adversary can certainly still succeed in pushing him away from Me, for there are people who, through upbringing or discussions with others, have more or less become followers, who thus join their fellow human beings but not because of the inner desire to hasten towards the Father they recognised in Me. But where this inner desire has awoken in a person My Fatherly love becomes active I constantly coax and call this person, I take hold of him and never let go of him again. He is already released from Satan's chain even though the latter will not stop in his efforts to win him back until I recall the person into My kingdom. A will which is seriously inclined towards Me is the most certain guarantee that a person will gain Me and My kingdom For I give him strength because I long for My child Myself and his will has already passed the test on earth. It is merely a matter of decision for Me or for My adversary The serious will is the decision, precisely because this will had turned away from Me in the past and the return to Me must therefore be accomplished willingly I judge the will and not mere words which are not serious but most certainly recognisable by Me as mere words, which are voiced by the mouth or are thought but which the heart is unaware of Nevertheless, once the will for Me has awakened the human being will incessantly strive towards higher spheres. For as soon as he receives My strength as a result of his change of will he will use it for spiritual striving. He will have effectively joined Me already, I will be walking next to him, I will just not be recognised by him as long as he is still weak in love But once the love in him grows stronger My image will become increasingly clearer until he has accepted Me Myself through the love in him and then he will also recognise that he can no longer descend into the abyss, because I do not relinquish what belongs to Me and voluntarily has become My Own. You will never ever be able to separate yourselves from Me again if you passed the test of earthly life, insofar as that your will has chosen Me. Then earthly life can only contribute towards a higher maturity of soul, you will be consciously of service to Me and faithful to Me until I recall you into My kingdom when your hour has come

Amen

Consciously turning to God is passed test of will

The turning point of every individual person's life has come when the person consciously turns to God, when he inwardly acknowledges him and enters into contact with Him when he prays to Him in living faith. Then the soul will have consciously started on the path of return to Him and can also, with certainty, reach its goal on earth of entering the kingdom of the beyond redeemed of its past guilt. Hence the human being must merely consciously turn to God and not just carry out certain formalities or customs or want to prove his faith in God with empty words. For God only evaluates that which arises from the human heart, neither words nor gestures can deceive Him However, a prayer in spirit and in truth will definitely reach Him, and then he will take care of the one who deliberately seeks contact with Him The conscious bond with God is therefore the spiritual turning point in the life of the individual, and the sooner it happens the more successful it will be; nevertheless, it signifies that the human being has passed the test of will he is expected to take during his earthly existence. Prior to this his life is a waste of time, for the soul does not gain anything while the human being still lives without God. And as long as a person does not have a living faith he still lives without God, for the academic knowledge about God conveyed to people is not a living faith as yet Only his conscious surrender to God proves his faith, and from that hour onwards the soul starts to live, that is, its thoughts, feelings and inclinations take place on a spiritual level, the bond with God has been established and He Himself takes care of the soul because it had found Him of its own free will. And again it must be stressed that only love is able to achieve this that the thoughts of a person who lives in love will take the right path, the path towards the Eternal Love, for love strives towards love. In other words: the Eternal Love draws a lovingly active human being close to Itself. And his faith will indeed come alive, the person's thoughts will turn to the One Who had created him Who will take hold of him and never let him fall again, because his free will became active, for both love as well as faith prove that the will is inclined towards God and therefore they also prove the passed test of will on account of which the human being lives on earth

Total dedication and complete submission of will

You shoulder great responsibility during your earthly progress, the burden of which, however, you can place upon Me if you decide to hand yourselves over to Me with all your strength and soul. In that case you will be free from every responsibility in the knowledge that I will guide you, for I will direct your every step such that you will inevitably end up with Me, that you therefore quite freely subordinate your will to Mine and have thereby passed the test of will, which is the sole purpose and goal of your earthly life. Completely entering into My will relieves you from all responsibility, for then you will only be able to live according to My will, your actions will be good and righteous, you will voluntarily fulfil the commandments of love for Me and your neighbour, the adversary will no longer be able to harm you and your earthly path will proceed entirely according to My will so that there will be no danger that you can travel it unsuccessfully. Just place yourselves totally into My hands and through your dedication you will become My Own completely, then you will no longer have to fear the world, earthly matter will leave you unaffected, you will only use it according to My will by causing it to be of service to you and at the same time providing it with the opportunity of advancement You should all take this simple path, the path of devotion to Me, for then I will always be prepared to release the chains, for as soon as you hand yourselves over to Me with complete faith and love Jesus Christ's act of Salvation will be understandable to you and you will take the path to Him, thereby recognising Me Myself as your God and Creator, as the Redeemer from all bondage. You need never fear becoming subject to My adversary again, for his control over you will be broken from the moment of your total dedication to Me, your decision will have been in My favour, you will turn away from him and quite deliberately strive towards Me. From this time on the adversary will no longer be able to deprive Me of My entitlement to you, all your love will belong to Me, and this and My love will never ever be parted again. If you take this path on earth to Me, if you know that you call upon your God and Father in Jesus, Who sacrificed Himself for you on the cross in order to redeem your past sin and if you are subsequently released from the adversary, then you have taken the right decision, you have accepted the emanation of love again without which blissful happiness cannot exist. And your fate will be far more glorious than before, when you indeed emerged from Me in supreme perfection but nevertheless were My creations, whereas now you have matured into My children, which I was unable to create, I was merely able to give you all the abilities to achieve this of your own accord And I would like to make it easy for you and merely need your total dedication to Me, then I will even out your every step so that you no longer need to bear responsibility, so that you only ever need to think and act as I make you feel in your heart, and then you will be happy because I Myself guide you and direct your thoughts. In that case you certainly act of your own free will but this will very clearly subordinates itself to Me and thus you can only want and act correctly. For the second time you will have come forth from My hand but in a way that you wanted yourselves and your free will helped to become that which could not emerge from Me in the beginning. Bliss on both your part and mine will constantly increase, for you will be offered splendours in My kingdom which you would never have dreamt of, for 'eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which I have prepared for them that love Me'

Surrendering the will to God

Offer yourselves as a sacrifice to the Lord, passively hand yourselves over to Him desire that His will shall also be yours, that you no longer feel any kind of resistance in you, that you are totally devoted to Him This complete surrender of your will to God's will assures right thinking, right wanting and right doing But as soon as you harbour the slightest resistance you also divert, if only imperceptibly, from that which is God's will, because this very resistance creates the foundation where God's adversary can be active. It is thus an act of greatest effort if the human being is to relinquish his own will and completely subordinate himself to divine will which, however, will always be easily achievable the more love becomes active in a person, for to be lovingly active is already coming into close contact with the eternal Love, it is unifying-oneself with It and thus simultaneously abandoning one's own will. This is why someone who lives a life of love no longer opposes God, it draws him to God, he humbly gives himself to the One Who created him, he know no resistance, no disobedience to God, he only ever endeavours to comply with Him.

In that case he has no will of his own any longer because he is permeated by the love of God, Whose will now works in him, since through love the spiritual unity has taken place. Thus love is the most certain feeling that the human being lives within God's will and that is why you need only ever be mindful about practising love whatever you do should only be determined by love, your heart should be soft and tolerant, gentle and whole-heartedly humble, and helpful towards every human being In every human being you should see your neighbour, your brother, because you are all children of one Father; you should let neither anger nor bitterness arise in you, but know that everything will approach you as is beneficial for your change, for your perfection. What is wicked in your environment shall become good through you, your love shall be the weapon you use against your enemies. You should never fight evil with evil but do good to those who do not mean you well. Then your bond with the eternal Love will become ever firmer, then you live within God's will, then His will has also become yours, then you have offered yourselves as a sacrifice by voluntarily having surrendered your resistance and acknowledged Him as your Lord, as your God and Father of eternity, to Whom you gave yourselves completely

Free will God's will Divine order

I cannot force you humans to respect and be active according to My will I can merely time and again inform you of the fact that only compliance with My will signifies a life within divine order and that actions to the contrary will result in misery for you. And I truly do not fail to draw your attention to the consequences of a wrongly inclined will You are beings with intellect and free will, however, your will remains wrongly directed as long as you don't make correct use of your intellect. I do not force the will yet I repeatedly try to stimulate the intellect to deliberate on My will, which I revealed to people for if I expect you to enter My will I must also make My will known to you. And no-one can really claim that this will of Mine is unknown to him, for it was also placed into his heart The human being can sense My will in him as it inspires him to do what is right and warns him against evil thoughts, intentions and actions Yet I also send My messengers to people who shall bring My Gospel to them who shall proclaim My will which only consists of loving God above all else and their neighbour as themselves which thus means, that a life of love will always be a life in divine order and the fulfilment of My will However, the less people mentally try to adopt My will, the less attention they pay to the inner voice, the more necessary it becomes to proclaim My will, My Word, My Gospel to them to bring My teaching of love to them, for they exist in a hardened or numbed state, caused by the influence of the earthly world. And from this state they must lovingly be aroused, they must be informed of the great danger such a state signifies for their souls they must be guided into divine order again, which can still be achieved if a person, who moves within divine order himself, lovingly takes care of his fellow human beings, if he makes an effort to make My will known and My Word accessible to them. People should not merely be shaken up from their sleep of death, but the path to life should be shown to them with kindness For people are blind and no longer find it by themselves And only those who resist, who don't want to let themselves be guided, should continue on their own paths, for they have free will and must also justify themselves for it one day. Yet as long as a human mouth is capable of speaking he should preach with love and thus, as My representative, proclaim My teaching of love, and people will not be able to say that they had no knowledge of My will. I don't expect the fulfilment of My will without informing people of it, and as long as the Earth exists I will send My messengers into the world in order to spread My Word. For this Word of Mine does not force the human being's will but it can turn it in the right direction and save the person from the night of death

Knowledge of God's will Responsibility

I speak to you because you should know My will You need to be given guidelines by which you should live your life for as long as you live on earth Thus you must be informed of My will, and the consequences of complying or not complying with My will must also be explained to you you must know what I expect of you and why I expect it. And then you should act according to your free will that is, you either accept My will or live contrary to it, but then you must also accept the consequences of your rightly or wrongly directed will. But you are free to make your decision you are not forced to make this or that decision, to live your life in this or that way. Even so, you decide your fate in eternity and therefore bear great responsibility. Were the information of My will not presented to you, you could not be held to account either but you would hardly reach the goal on earth of attaining your original perfection, which you had lost because your will and activity opposed My will, because you ignored My will. For My will is nothing else but the law of eternal order, it is My will that you should integrate yourselves into this law, whose fundamental principle is love If you allow this fundamental principle to break through into you then you will adapt yourselves to My law of order, then you will fulfil My will, you will voluntarily subordinate yourselves to My will. If, however, you lack love, then you are outside of My law of eternal order then you are also outside the circuit of My flow of love, you are separated from Me, you are imperfect, because love is part of perfection, which you reject as you once did when you fell away from Me.

At the start of your human embodiment you have no knowledge, and therefore I Myself convey to you the knowledge of your relationship with Me and also that you had sinned against Me, that you had not fulfilled My will, that you had disregarded the divine principle of love and thereby left the eternal order. For this reason I inform you of My will and address you through My Word for this reason I require you to enter into My will, into the eternal order, and tell you to live a life according to My will But I do not compel you to live this way; I leave it up to your free will But one thing I keep preaching to you: Love for everything depends on your willingness to love, even your agreement to fulfil My will and to submit yourselves to the law of eternal order solely depends on your willingness to love. For that which you do as a result of love you do voluntarily. Thus 'activity of love' is My will of which I constantly inform you Activity of love is the law of eternal order activity of love is the path to reach the goal, for activity of love provides you with the strength to do what is required in order to perfect yourselves And therefore I will never cease informing you of My will through My Word, I will keep preaching love to you and make you aware of the benefits of a life of love I will always try to encourage you to subordinate yourselves to the law of eternal order, to ignite love within yourselves and fan it into a bright flame My Word will enlighten you as to the purpose of your earthly life, and I Myself will constantly follow you with My love so that your love for Me will be kindled, and then the principle of love will determine your whole nature, you will gain bright enlightenment, i.e., you will realise the purpose of your process across earth and the goal set for you This realisation will give you great joy and you will eagerly strive for perfection For once love has ignited in you, you will also unite with Me through love, and then you will never want to let go of Me again, and I Myself will hold you with My love, I will merge with you since it is your own free will and we will never part again, for to have entered into My eternal order means to create and be active with Me and in My will in accordance with the divine principle of love and to be eternally happy

Submission of one's own will to God's will provides protection against opponents, care and guidance...

B.D. 7892
13. 5. 1961

Submitting one's will to God's will....

I require your complete submission to My will. For as soon as you become completely absorbed in My will, you will not be able to think and feel any differently than My will intends, and then you will live in such a way that pleases Me. Thus you must give yourselves to Me, you must accept everything from Me as inflicted upon you or bestowed upon you, you must recognise My hand in everything you experience and know that everything has its meaning and purpose, that everything belongs to your path of destiny which aims to achieve your maturity and is based on My love and wisdom. Then you will no longer grumble and complain, you will humbly give in and allow yourselves to be guided like a child by the Father Who cannot handle you in any other way than good and loving and to Whom you can therefore also entrust yourselves in every adversity of body and soul. In the past your will turned away from Me.... if you now voluntarily submit your will to Mine again, your return will have been accomplished and you will only need to shape yourselves in earthly life such that your union with Me can take place, and this necessitates a heart full of love uniting itself with the Eternal Love in order to complete the final return as a child to the Father. However, submitting your will to Mine also guarantees every conceivable help on My part to achieve this unification with Me, because I Myself very much want you, My living creations, to return to Me as children to your Father. And since I let everything.... the whole of Creation.... arise for the sake of this return, I will always be willing to further this.... thus I will respond to your every expression of will, and this truly in a richly blessed way, if it applies to Me. Then you will also always recognise My will in yourselves, you will do what is helpful for your soul; you will work at improving yourselves and avoid all sinful longings, you will fight all temptations by the enemy of your soul and prevail, because your heartfelt devotion to Me will provide you with strength from Me. Then your life on earth will truly not be a waste of time, because you will recognise its meaning and purpose and thus fulfil your task on earth of attaining spiritual maturity. Nevertheless, you will have to struggle until the end of your life on earth, because My adversary will not give up on you so easily, since he will still believe that he can win you back, and thus he will not stop harassing you.... However, a will which is inclined towards Me also guarantees you influx of strength, for I will not let My child fall into My adversary's hands again once it has turned away from him and taken refuge in Me because it had recognised Me as its God and Father of eternity. Therefore you need not be afraid that I might ever abandon you, don't be scared of the moments of weakness you will experience time and again.... I Myself watch over you and protect you from regressing into the abyss, I will not allow the adversary to gain power over you, I will always walk by your side, even if you don't see Me.... in order to protect you and to safeguard you from all harm which threatens you from My adversary's side. He cannot hurt you anymore as soon as you have found your way back to Me, which is demonstrated by your will being inclined towards Me.... For then your earthly life will only be spiritually oriented, you will deliberately detach yourselves from that which belongs to My adversary, even if you are still living within the field of your earthly duties and have to prove yourselves in them.... From then on you will receive all your strength from Me which will tie you to Me ever more firmly.... And because you will have returned to Me voluntarily and he will not have been able to force your will, My adversary will have lost his claim on you. This is why no-one can go astray if he believes in Me and strives towards Me in thought or through kind-hearted activity, which always presupposes the will for Me and testifies to the passed test of will on earth.... Complete dedication to Me also includes submission to My will, and then you will belong to Me and I will never ever let go of you....

Amen

The will's decision in favour of God

You will always be nourished with life-giving strength if only you want to attain life. You should just for once think about your soul's fate, you should not only consider your earthly life but the life of the soul, which you are meant to gain on this earth. You should reflect on what your soul is missing and try to quench its hunger and thirst you should strive spiritually during your earthly life That is all I expect of you, for once this will breaks through in you, you will also receive help to attain the goal. And thus it merely depends on your will that the Father looks after you and guides you Where this serious will exists there is no more danger of falling into My opponent's hands because then I will have the right to protect you against him. Hence, anyone who wants Me to accept him is already accepted by Me and will then also receive the strength to live according to My will on earth. This is why everyone who is of serious will can be secure in the knowledge that he is in safe hands in My care and My protection And about this he has to give account to himself If his thoughts and intentions are still firmly inclined towards the world then his will is not serious, then he deceives himself even if he tries to testify to his will with words. For the will towards Me is already a turning away from the world, because no-one can serve two masters, Me and My adversary at the same time, who is the lord of this world. Although the human being is living in the world and will have to do justice to many demands there is nevertheless a difference whether his heart is attached to the goods and pleasures of this world, whether they occupy his thoughts and intentions or whether he only uses the goods of the world as far as they are needed for his sphere of activity he is in charge of Merely the heart's inmost desire is the decisive factor as to which lord can take possession of the human being. And this has to be answered by the person himself and in all truthfulness, as not even the slightest movement of the heart can be hidden from Me Therefore I also know whose will belongs to Me exclusively and whom I can subsequently guide and draw towards Me I also know who voices what are simply words which lack this utter sincerity of will. Nevertheless, I also take care of these, but the success is only guaranteed when the heart has undevidedly chosen Me. For then the human being will come to Me like a child to the Father and My Fatherly love will take hold of it and forever keep it with Me But in that case the human being is also willing to help his soul attain full maturity, he will provide it with nourishment and refreshment and not just live an earthly but also a spiritual life he need no longer fear to go astray, for he will be holding on to My hand and unwaveringly walk towards the goal

God-inclined will assures His guidance

You are guided through your earthly life, the beings of light to whom you are entrusted during your life on earth take care of you, and you can also always choose Me as your guide, you can consciously take refuge in Me and appeal for My guidance thus, as human beings, you are not defencelessly left at the mercy of the powers of darkness, you cannot be overpowered by them against your will even if you, as human beings, are weak, for you need only call for help and you will certainly receive it. But precisely this will is free, neither the beings of darkness nor of light may infringe upon it, they must allow you complete freedom as to the direction you give to this will. But you can also be certain of receiving help if your will is inclined towards Me And precisely because your earthly life concerns the fact that your will should aim in the right direction, but since I love you and long for your return to Me, I will therefore only send that upon you humans which might impel you towards Me as long as you are still undecided However, once this decision of will has been taken you can travel your earthly path in blissful certainty and complete peace. Time and again I want you to know that I will not let you fall again, that I will not leave you at the mercy of the adversary, that I will protect you against all onslaughts and temptation as soon as you want to belong to Me For in that case it entitles all your spiritual guardians to intervene and to grant you protection against the dark forces. Then your soul will have nothing to fear anymore, for a will inclined towards Me is your best weapon against the enemy, it will always call upon Me when danger threatens and I will always avert this danger.

If, therefore, a person is willing to work for Me and My kingdom he will also have offered his services to Me, thus he has handed himself over to Me of his own free will And as long as he is willing to eagerly render this vineyard work, his will also belongs to Me alone Then he is also perfectly entitled to know that he is protected and cared for by Me, by all spiritual beings which are of service to Me. All worries can leave him and he can even remain unimpressed by earthly onslaughts since, as My servant, he will also experience My care for Him as Caretaker, which will sort everything out beneficially. Anyone who wants to belong to Me is indeed My Own, and anyone who is Mine should also trustingly hand himself over to Me and put all burden and adversity upon My shoulders, which I will truly take off him because he has become My Own. Nevertheless, it must also be said that you increase such earthly adversities yourselves the more fearful and less faithful you become that your doubts regarding your faith or your worries about your earthly well-being will only ever burden you more because through them you distance yourselves from Me I expect complete trust from you so as not to disappoint it, but you often weaken My activity of love in you yourselves You don't allow for it, precisely because of your unjustified worries and doubts in My help. You must become like children who believably accept the Father's every Word and subsequently also rely on Him, because they know that the Father loves His child Nothing must frighten you, nothing must make you scared, for there is One above you Who watches over you and instructs His servants to protect you And you should only want to love this One and belong to Him, He will truly help you in every adversity of body and soul

Amen

Pure Truth clearly refutes the misleading doctrine of John Calvin on 'predestination' who, in his misunderstanding of the nature of things, so interprets 'Sovereignty of God' that wholly denies human free will...

B.D. 8740

Explanation regarding free will

I truly want to help you attain beatitude while you are still living on earth as human beings. And I make use of all methods which can still lead you to perfection But I do not infringe upon your free will, for this is the characteristic of a divine living being which once arose from My love Without free will you would certainly be works which My creative will brought into being but they would be lifeless within themselves since they would only purely mechanically comply with My will However, I did not create such imperfect beings but children of My love which are still My 'living creations' until they become My 'children' of their own free will, so that they completely subordinate their free will to Mine, even though they can also turn it in the opposite direction You, who live on earth as human beings, had turned your free will in the wrong direction in the past, it turned away from Me, and that resulted in your apostasy But since nothing that originated from Me can be lost forever, it will also return to Me again one day without fail, and I Myself devised this path of return to Me for you. When you hardened in your substance I shaped this substance into all kinds of works of creation and bound your will during this time, that is, you took the slow path out of the abyss upwards in the law of compulsion until you had reached a degree of maturity once again in which free will could be returned to you and that you now, in the stage of a human being, should turn it in the right direction, that is, towards Me. In that case you will subordinate your will to Mine without compulsion and attain perfection again, but then you will no longer be My 'living creations' but will have become My 'children' who, in eternal bliss, will be able to work and shape with Me and in My will, which will also have become yours But I have known for eternity which decision will be taken by a person's free will and what will, accordingly, be his destiny on earth it will always be such that he can make the right decision, although the person is not subject to any compulsion. No-one will be able to determine a person's inner inclination and thinking and neither will I ever determine or push him in a specific direction but the person will always prepare his own fate, that is, he can infinitely prolong his path of return but also shorten it considerably nevertheless one day he will return to Me for certain.

As long as his free will does not apply to Me, the human being still belongs to My adversary who had caused his downfall Yet neither I Myself nor he can exert a forceful influence on a person's will, otherwise he would never ever be able to attain beatitude, for free will was cause of the apostasy and in free will he must also return to Me again.

The fact that I have known the direction of your will as a human being for eternity does not entitle you to assume that I Myself determine the state of beatitude, that I Myself i.e. My will choose which people will become blessed and which will be condemned This point of view entirely contradicts My Nature, which is love, wisdom and might in itself My love for My living creations is so infinitely deep that it constantly tries to attract their love, that it does everything in order to achieve your bliss, your ascent to Me in the shortest possible time My wisdom also knows all means and everything is possible for Me with only one exception: I cannot enslave My living creations' will, because this contravenes My law of eternal order because I Myself cannot make something imperfect which was created in perfection, but the being itself can, at any time, turn into an opposite being to Me precisely because it has free will and because free will is and will also remain the attribute of a divine being. For even if you infinitely distanced yourselves from Me, by virtue of your free will you would always be able to return to Me, and only then will you have reached a degree of perfection which I Myself, however, was unable to create I was certainly able to let supremely perfect beings emerge from Me but the beings had to remain perfect of their own free will, even though they were able to change themselves into the opposite. Thus, the being must strive for and achieve this high degree of perfection itself in order to become a true 'child of God', which will then also be able to accept its Father's inheritance because it will have become as perfect as its Father in heaven is perfect

Amen

B.D. 5741
7. 8. 1953

Change of will in freedom Perfection

The distance from Me cannot be reduced by My will, instead, your will must accomplish this alone, for My will did not disown you, instead, you left Me of your own free will; you rejected Me and thereby created a gulf between yourselves and Me which you will now have to bridge yourselves if you want to come back to Me. I Myself will welcome you with open arms again if you return into your Father's house. But I will never bring you back to Me against your will, because I Am less interested in possessing you than in your love for Me, which will subsequently change your will so that you return to Me voluntarily. However, a return to Me signifies unlimited bliss, and thus you can and must create your own state of happiness, it cannot be given to you by Me if the prerequisite that your will is turned towards Me does not exist. I Am willing to give you everything, I will truly not deny you anything you desire yet it is not possible for Me to enslave your will since then I Myself would have to contravene My law of eternal order, for My living creations were created in My image, these beings had to possess free will because they emerged from Me in perfection and anything that was externalised by Me in perfection can certainly become imperfect of its own will yet not through My will, hence it was able to turn its will away from Me, but I cannot now enslave the free will and thereby remove from My living creation the evidence of its divine origin. For I Am perfect and therefore do not contravene My eternal order Hence I cannot prevent people from sinning and leading a wrong way of life, I cannot force them to believe in Me and even less force to them love Me, thus to return to Me again I can only do everything which might, yet does not have to change their will, otherwise no distant being would truly exist any longer but neither would there be a free and happy being of perfection. Free will is the fundamental law of eternity and it is also the fundamental law in every being created by Me You humans must accept this explanation for the conditions on Earth which seem so imperfect to you and which only the human being's free will can change. What My power can accomplish has already been achieved by My love; however, where the freedom of your will must be preserved only you can become active yourselves, and My love will grant you every support, it is, after all, My own will that you should return to Me. And even if eternities pass by before you strive towards Me of your own free will again, I will nevertheless never guide you back forcibly, because it is My will that you shall attain your original state of perfection once more, because it is My will that you, as My children, voluntarily surrender to Me in love

Amen

B.D. 7370

Free will and self-awareness

During the final period of development as a human being you are able to freely want and usually also act as you wish, because it is intended that you prove yourselves during your existence on this earth. It is not an arbitrary process, just as final success is not dependent on My arbitrary use of power, instead you humans determine the result of your soul's earthly progress yourselves. For the soul's maturing is the decisive factor, because the body is transient and only serves the soul during its short lifetime on earth in order to attain maturity. Hence the human being must be informed of the fact that it is up to him as to whether and how he uses his time on earth to become psychologically mature. And thus he should not rely on being granted a random act of grace on My part without his contribution he should know that he can receive unlimited grace but that it always depends on his will as to whether these blessings will take effect in him. For I can show him the heavenly kingdom quite plainly and even extend My hand to him so that he can reach it if it is not his own will to attain the heavenly kingdom all My gifts of grace will be futile, for they don't compel his thoughts and actions but make it easier for every person to think and act correctly. First, free will has to become active, and the attitude of this will determines the success of earthly life Therefore no human being will be able to say that the direction of his will was predetermined, because this will is free.

The will is the human being's innermost instinct, which was placed into him by Me, which is inherent in every self-aware being. Thus, the once-created spirits in My kingdom were able to enjoy their free will for as long as they were self-aware beings However, they lost their self-awareness when they plunged into the abyss of their own doing. For they distanced themselves from Me and this ever increasing distance also signified the hardening of the spiritual substance, which I subsequently shaped into creations of the most varied kinds. All these works of creation are in a state of 'bound' will The spiritual substances bound therein are not conscious of themselves as they are only parts of a once fallen original spirit which, by progressing through the various creations, shall return to Me again, which is deprived of its self-awareness until all the tiny particles have come together again and are allowed to embody themselves as a human being on Earth. Then it will also receive its free will back and the being will be able to freely want and think again and cannot be prevented from aiming its will in any direction. And no-one will be able to dispute the fact that his thoughts and his will are free, although he is frequently unable to implement both. However, it concerns the will, not always the deed, which can indeed be prevented through My will or My permission, but this will never rules out the actual will which tried to cause an action And you should watch your will hence every thought should make you question whether it is in harmony with My will. Your will should only ever be inclined towards Me, then it will be good. If it is your will to live in order to please Me you need no longer be afraid of not fulfilling your purpose of earthly life, for then you will always think and want what is right, then your soul will desire to regain its past state, it will subordinate its will to Mine and will have passed the test of earthly life when it may leave the earthly body in order to enter the kingdom of the beyond

Amen

Correct decision of will in the state of self-awareness

Your soul will never lose its self-awareness again, it will recognise itself as My once emanated spirit of light as soon as it has attained the state of perfection, in which it will also fully realise the purpose I gave to every being when I created it. Then the soul will also have an abundance of strength so that there is nothing impossible for the soul, that it can create and work according to its own will which, however, has completely entered Mine. And this is a state of unlimited bliss which you humans are incapable of comprehending because you are limited beings limited in your strength as well as in light, which constantly increase the closer you are to perfection. You once came forth from Me in brightest light and in brightest light you return to Me again in order to live a life of unlimited beatitude forever. But no matter how thoroughly it is put across to you that you can create such a blissful fate yourselves, you nevertheless still conduct your psychological work half-heartedly because you do not believe with conviction and because you simply find it incomprehensible that you can reach such a high goal as human beings And yet, it can only be presented to you, the knowledge can be conveyed to you but you must utilise it yourselves, for if I Myself would make you act according to My will you would no longer have free will. But the latter is necessary in order to attain the state of highest perfection. However, I set Myself this plan a very long time ago and it will certainly be carried out, even if it takes eternities Sooner or later you will all attain this beatitude and then the time it took you will seem insignificant to you, for then every concept of time and space will have come to an end, the time you took will appear like a moment, whilst eternity lies ahead of you when you can enjoy pleasures without end. But while you are still living in a state of imperfection on earth you will have to bear much sorrow, for your soul's imperfection is a state of adversity and suffering which you can only numb yourselves through earthly joys and pleasures but which will not be improved, instead, it will surface time and again as long as you are not yet perfect.

Life on earth is merely an illusive existence for it is not permanent, it passes by, it is not absolute reality, only the spiritual kingdom can be that for the soul, whose true home is the spiritual realm after all. But the earthly realm can contribute towards removing the soul's impurities and enabling it to enter the spiritual kingdom in an utterly light-receptive state. And for this purpose you humans live on earth, because you should remove the impurities from your soul of your own free will, which is certainly possible for you if you strive towards the goal of living a profoundly blissful life one day for all eternity You merely need to be willing to become again what you were in the beginning, and truly, I will help to make it easier for you to achieve You should only ever visualise the high goal you can reach and you should want to reach it. For this resolve alone determines your fate And you can rest assured that I will not let you fall anymore once you grant Me this will You must merely be absolutely serious and not just use words which your heart is unaware of. This change of will can only be revealed by a self-aware being, for this very reason the state of self-awareness is so extraordinarily important For now you can think and use your intelligence, you can use the vitality of life granted to you according to My will you can be lovingly active Then you will also turn towards Me and I will hold on to you forever. You don't have much time left for this decision of will, for the human being's life on earth is like a moment in eternity, however, if you make the right decision the time will be sufficient to reverse your nature into love And if your will is wrongly inclined you would only descend abysmally low again were you granted more time as a human being on earth For the further you distance yourselves from Me, the stronger would My adversary's influence become This is why this time on earth as a human is limited and in eternity judged like a moment, during which you can nevertheless reach Me and be as boundlessly happy again as you were in the beginning. You will never be left without help, you will never have to rely on yourselves, I Am always ready for you and only wait for your call which proves that you grant Me your will which I will definitely accept and seize My children again in order to never let go of them; for you came forth from My strength of love, you are also a part of Me, even if you once turned to the one who was the first to fall away from Me when he should have passed the test of will that would have made him the most blissful being forever, which was meant to create and work with Me in the whole of infinity as My image

Amen

Reason for the human being's free will

And thus you are in the human stage where you can freely use your will again One day you will realise what this means, when you are enlightened, when you can look back on the infinitely long time you lived on earth in the state of compulsion where you, constrained within all kinds of creation, had to act according to divine natural law which you were unable to oppose. But now as a human being your free will, which is a sign of the divine being you once were, is returned to you, and as humans you also shelter the divine spiritual spark in you, which inextricably connects you with the fire of divine love since it is and will remain forever inseparable from the Father-Spirit of eternity. This free will is the attribute of a divine being, for that which once emerged from God had been perfect, and free will is part of perfection Time and again you humans must be informed of the correlations, you must know that free will cannot be denied and why this is so furthermore, you must also know that no person or his soul could be held to account if he did not possess free will You must know that all power is truly at God's disposal in order to instantly place all beings into a state of the highest perfection but that these beings would only ever be the 'works' of His power and never the 'children' of His love However, the latter can only voluntarily shape themselves into these and God's happiness consists of the fact that beings voluntarily strive for this perfection, that they strive towards Him of their own free will, that they are able to distance themselves and stay away from Him and yet try to reach Him as a final goal. For free will is always determined by love, regardless of whether it is positively or negatively inclined, for the love is correspondingly positive if God is its goal, or negative if it applies to the adversary, if the love is mere selfishness which only strives for its own advantages whereas positive love is divine and only ever wants to give and please. And this is determined by free will, hence only free will can be responsible. If the human being's free will were disputed much would seem to be pointless, it would also distort the portrayal of the eternal God and Creator, because every imperfection, every adversity, people's spiritual low level and their anti-divine behaviour would also have to be regarded as wanted by God and no-one would ever be able to recognise a God of love Every calamity in the world could only ever be blamed on the Creator Himself if the human being's free will had not been the cause of it

Consider that, in that case, God Himself would contravene His law of order, for only one can be held responsible for everything God or His living creation, the human being, but God can only work in supreme perfection and nothing will infringe against His law of order. The human being, on the other hand, can leave this order by virtue of his free will because as long as he still lives on earth as a human being he is still imperfect and only lives on earth for the purpose of adapting himself to the lawful order again, which he once voluntarily revoked and should become perfect again, as he was in the beginning. Every person should seriously deliberate on the fact that the world would not be as it is now at the time of the end if he had no free will Then only God's will would be valid, and this truly would not cause disorder everywhere which, however, is the case. Consequently, God would have to be held responsible for everything that happens in the world This is such an absurd idea that, after some deliberation, a person could in fact himself gain the inner conviction that he has free will. Again and again it has to be emphasised that it only concerns the innermost will and not the implementation of what the person wants The latter can certainly be prevented by a Higher Power or by his fellow human beings, nevertheless, the will remains accountable, no matter what effect it takes. For even an evil deed voluntarily accomplished by a person can have a favourable effect on another person as a result of My countermeasure, nevertheless, he must justify himself for his ill will, because it is free As long as you humans dispute free will you are not aware of your origin or you don't recognise God as the supremely perfect Being Who brought you into life. A being created without free will would be imperfectly fashioned; it would only be a lifeless work, since only the thinking free will makes it a being While the being is constrained in the works of creation and subject to natural laws it is also free of all responsibility because it cannot act against God's will In the human state, however, it can act, think and want at its own discretion and thus must therefore justify itself, because its actual purpose of life is to turn its free will in the right direction, that is, towards God, from Whom it had once turned away. It is not possible for the human being to shake off his responsibility, he cannot encumber someone else with it, he must bear the consequences of his will, and therefore his will also determines the fate of his soul in eternity It can completely liberate itself from every shackle, but also harden its shackles again and fall back into the abyss But at no time ever will God's will determine its state after its physical death, instead, the human being creates his own fate because he has free will

Amen

B.D. 5144
4. 6. 1951

Development is a matter of free will and not God's arbitrary use of power

The divine spark in the human being is his signpost on this earth, for it impels the human being to do what is good and cautions him against evil actions and thoughts yet only gently so that it can, but need not be, heard and felt because it does not push itself into the forefront, instead, it expects a person to listen within in order to be perceived. Therefore it first requires the person's will again in order to become aware of the gentle voice within. Therefore the will comes first and all other blessings take effect accordingly, which also includes the manifestation of the divine spark in the human being. The will, however, is free, it is not forcibly influenced neither from above nor from below neither God nor His adversary determine the resolve of a person, yet according to his free will they exert their influence. This needs to be particularly mentioned because it entirely changes the eternal Deity's image, Which is love in Itself, when it is taught that the direction of will is determined by God, when it is taught that the human being cannot use his will freely but that the direction of this will depends on God's grace and mercy. The fact that the human being is offered the opportunity to test his will and to prove his God-inclined will at all is definitely an act of divine grace and mercy, yet of what use would the human being's life on earth be if his will were curtailed and his development on earth were entirely God's work, that is, if its success or failure were determined by Him A teaching like that gives rise to doubt in God's wisdom and love and therefore can never correspond to truth. The human being undeniably always carries the admonisher within, God's mercy is always recognisable, for this gentle voice is a gift of grace too, a helpful means to impel the human being to where he should land according to God's will yet it is left entirely up to him how he uses the gift of grace, otherwise the admonisher within the heart would sound so loudly and perceptibly that it would have to be heard and the person would subsequently forcibly act as is demanded of him. The human being has free will that is of greatest significance for his spiritual development and can never be denied; nevertheless, words can be misunderstood or misinterpreted if the necessary understanding is lacking regarding the human being's actual task on earth and which goal he ought to attain. Anyone who knows this also instantly recognises the error of a doctrine, even if it is advocated as being of divine origin. God's love and wisdom must always be emphasised, everything must demonstrate God's love and wisdom, and where this can be doubted the divine origin is missing from a teaching, for God, Who wants to be loved, does not present Himself such that He must be feared A God, Who courts His living creations' love in order to make them eternally happy with His love, will not present Himself as a God of wrath and tyranny and nip all love for Him in the bud. Try to find the right meaning and don't judge according to the letter, for the letter kills but the spirit gives life. But where the spirit of God is at work all veils are lifted and every person filled by God's spirit will also understand His Word

Amen

Spiritual darkness Denial of free will

People live in such error and yet close their eyes when light is offered to them, they don't want to see because they feel comfortable in the darkness. This is My adversary's work, the prince of darkness, who surrounds those people by darkness who don't resist him, who don't want to attain the light of their own will. It is so understandable that people become increasingly more confused the further they distance themselves from Me, and the extent of distance is determined by their degree of love Anyone who shapes himself into love will be connected to Me, since I Am Love Itself, lack of love means distance from Me, and if love has grown cold among people then they are part of My adversary, who is entirely devoid of love. Then the distance between Me and them will be unbridgeable and can only be bridged through the divine Redeemer Jesus Christ, but this simultaneously means that the commandments of love, which Jesus gave to people at the time of His earthly life, must be complied with. Love comes first and last, without love there is no realisation, no truth, no light and no return to Me. And the thoughts of anyone who lives without love will be confused, he will advocate error as truth and be completely unenlightened, completely blind in spirit But time and again a bearer of light will arise among these people time and again I will try to open people's eyes, to kindle a light for them, to provide them with clarification and above all to point out the commandments of love, because they will only become receptive if their hearts soften and they make an effort to live a life of love. And this is caused by free will, which can move in all directions, and just as it is inclined towards My adversary it can also choose Me if only the human being listens to what is proclaimed about Me and through Me: that I pursue every one of My living creations with love and yearn for their return to Me Then the human being's will can turn towards Me and his way of thinking will change, he will reject the error and willingly accept the truth, thereby fulfilling the purpose of earthly life so that the person will completely change his nature, so that he transforms his selfish love his wrong love into unselfish neighbourly love, into that love which is pleasing to Me and which unites the human being with Me, Who is Love Itself

Every one of you humans can put it to the test, you need only pay attention to your environment and to the unkind people's attitude towards Me as well as of those who are actively loving and you will always be able to notice that an unkind person does not believe in a higher Being Which gave life to him, and that he also has entirely different spiritual notions than a believer Actively loving and unloving people will never hold the same points of view regarding spiritual subjects; their opinions will be so fundamentally different just as their nature will be which can be recognised as kind-hearted or heartless, because it has an effect on fellow human beings. And if these unkind and unbelieving people would also use their intellect they could still ask themselves many a question, which if it is genuinely raised would also be mentally answered for them Yet this is always determined by a person's free will To deny free will is the epitome of misguided thinking, for then the person would truly not need intellect either, which was given to him in order to weigh everything up against each other and to come to a decision, be it in regards to earthly or spiritual matters The human being's thinking must be able to move in all directions, and the path of earthly life as a human being would be pointless if the human being were not able to reach perfection on it for which, however, free will is a prerequisite otherwise it would truly not be proof of My perfection, if I Myself determined the state of every soul at the death of the body, if I Myself judged every event, every action and thought according to My will, in which case, however, the human race would never be able to become sinful and corrupt, because My will is always good, that is, it always corresponds to lawful order And you have received intelligence to think about this precisely because you should deliberate on everything since you are not robots works, created by the Creator according to His plan and which would never be able to change because they would be incapable of doing so without free will. You humans should seriously contemplate such thoughts; otherwise you won't feel responsible for your way of life on earth, how it turns out at the end of your life Direct your will towards Me, your God and Creator, of your own accord and truly, you will not live in darkness much longer, a light will be kindled in you and in this light you will recognise the path which leads to the goal to Me and to eternal life

Amen

What is the relationship between 'free will' and our 'destiny'?!...

B.D. 5648
11. 4. 1953

Earthly destiny corresponds to will

I Am a Father to all of you, and thus it will also be understandable to you that I grant My Fatherly love to each one of My children and that I have the destiny of each one at heart, that I Myself lead every child by the hand until it is able to walk on its own, until it has matured into a being that is like Me, until it is so closely united with Me and thus thinks and acts according to My will. Every being's development was delineated an eternity ago but this does not mean that it has to follow this process without will, rather, My wisdom recognised the process which corresponded to the being's will and offers the greatest opportunities to guide it to Me. I foresaw both the resistance as well as the lessening of resistance in every being and My plan of Salvation adapted itself to this will. The being lacks the past memory of the blissful state at the beginning as well as of its fall into the abyss Consequently, its will can make a completely free decision as to the direction it takes, it is not influenced by Me in any way. Yet My love and wisdom always placed the being into circumstances conducive for its change of will It can very easily make the right decision but is not forced to do so. I Myself will never complicate a being's process of development because My love for that which emerged from Me is infinite and because this love only ever yearns for the return of the beings to Me, thus I will always make it easy for the being to find the right path to Me. I also foresaw the failures an eternity ago, I foresaw My living creations' renewed apostasy from Me, which time and again requires ever new opportunities in order to reach My goal one day. But even these failures are taken into account and won't hamper Me from implementing My salvation process they merely prolong it and demand more effective means, and sooner or later they will certainly lead to the goal Therefore, the way a person's destiny on earth turns out always corresponds to My eternal plan of Salvation, since I have also known his will for eternity and always take effect according to this will, thus earthly life approaches the person as is favourable towards changing his will and turning it towards Me. As the Father of My children, I also truly know their every nature and must therefore treat each one of My children differently in order to win them over for Me, in order to gain their love For it is My goal that they grant Me their love and therefore I won't compel them but will allow them their freedom, since compulsion can only result in obedience out of fear but never in obedience out of love. However, I yearn for My children's love and therefore never lose patience, even if My plan of return takes a long time I will always take My living creation's will into account, yet one day it will freely choose Me, one day its love for Me will break through, My living creation will subordinate its will to Mine, it will ask for My love and My Fatherly love will draw the child to itself and never ever let go of it again

Amen

Free will Destiny

Nothing happens in human life that doesn't affect eternity. Every action, every omission, every thought, every direction of will has an effect on the soul's development, and therefore everything that occurs in human life belongs within the scope of destiny. The human being has free will and the use of this will is decisive for eternity. Every deed or omission, every thought, is first preceded by will, and its decision determines his course of life. For although he is unable to control every event in an earthly way, since God has reserved the right for Himself to direct his course of life according to wise judgment, his will has nevertheless already been taken into account and forms the basis of his destiny. The human being's free will is being doubted because it cannot always carry out its intention, yet the intention cannot be denied the human being even if the opportunity to implement it has been removed from him. The direction the will takes determines the soul's development, the failure of a once prepared plan does not revoke the will, and for this will the human being has to be answerable one day, even if the implementation did not come about. Changing a wrongly orientated will into the right direction is the purpose and task in life. And this is why even the slightest happening benefits this change of will and is God's will or permission, regardless of whether it is the result of a wrongly or correctly used will. And thus it should be understandable to you humans that you will have to accept every stroke of fate as being predetermined a long time ago and only conducive to your higher development. You must therefore ask yourselves to what extent it was encouraged by your will and whether this will was right or wrong, to what extent it corresponded to divine will and thus you must try to derive a benefit from even the smallest experience, so that your destiny will truly affect you in an educational way and, if it is arduous, will also be successful for your life in the beyond. You are always in God's hands, that is, He takes care of your course of life, after all, He wants to draw you close to Him and win you for eternity. If you accept everything from His hand, always remembering that they are educational means which are used by a loving Father for His children, then you will always want, think, speak and act according to His will, and your earthly life will not be lived in vain, for then you submit yourselves to God's will and can't help yourselves but use your free will correctly as your task in life requires

Amen

Every man will one day have to justify his use of his free will... The necessity of understanding the difference between 'free will' and 'the possibility of its implementation into action'...

B.D. 7271
31. 1. 1959

Does the human being possess free will?

Human will is not controlled by Me, instead I allow it its freedom. Even if you humans, time and again, would like to doubt free will your thoughts and intentions are free. You will not be able to dispute this even if someone else's will or destiny prevents you from implementing your intentions. Your thoughts and intentions, however, are the expression of your innermost feelings, which you can aim in any direction, for this is within your power and is not determined by another person's will. If you humans spent more thought on your freedom of will you would also learn to regard your earthly life, to some extent, as the 'consequence' of your will However, you come to the exact opposite conclusion; you look upon your course of life with all its events as proof of your lack of freedom of will, because it frequently does not correspond to your wishes and thus you regard it as a coercion of will but which, in truth, was only caused by your wrong will, albeit I presented it to you such that it is helpful for you, even if you don't like it. And even in the most unpleasant situation you can still think and want unimpededly. Implementing a deed is only the next step of your will, but even then I only rarely oppose it, instead I let you have as much freedom as possible, nevertheless, only within limits. And thus you can use your freedom of will to try and order your earthly circumstances, you can change their course. You can do anything in order to completely change your circumstances of life sometimes you will be successful and at other times not, for without My will and My permission you are unable to do anything but that never revokes your freedom of will.

You should learn to differentiate between 'free will' and 'implementation option' As long as you only acknowledge the latter as free will you are right, for this still depends on My will or My agreement. But one day you will only have to justify yourselves for your will, which does not depend on the deed, but it will equally be judged according to whether and how it was made use of. Will and deed certainly belong together, for the will without the deed is no will if the human being himself omits or prevents its implementation. Hence you should critically observe yourselves in this respect; this is why the significance of your free will is constantly presented to you, which you humans cannot deny if you seriously think about what is to be understood by it. Your innermost thoughts and intentions are your very own possessions, and no-one can stop the direction you give to your thoughts and intentions. However, you are also accountable for it, because free will is a very significant factor in earthly life on which My plan of Salvation is based, it was the cause of the past apostasy from Me and must also accomplish the final return to Me, or the work of return would have been completed long ago had My will alone determined that My living creations should take the path to Me within a specific time. The fact that this is determined by the human being's free will itself is so tremendously important that it repeatedly has to be explained to people who dispute free will and who are therefore not aware of their great responsibility, who go with the flow and believe they are living creations with no will of their own in regard to their God and Creator Who, however, once created them as free beings and also wants to help them regain the freedom they possessed in the very beginning. Freedom of will is not a mere object or concept of faith, instead, through serious deliberation, the human being can find out for certain, and then he will live his life responsibly and safely reach the goal

Amen

B.D. 2489
1. 10. 1942

Will and deed Responsibility

The will brings forth the deed. The will is therefore decisive although only the deed is the verification of the will. Without the will the deed cannot be carried out; but even without the deed the will has to be justified before God because it manifests the human being's nature, the impulse for good or for evil. In order to implement the will the human being has to use the energy of life which flows through him, thus he can accomplish good as well as bad deeds, but to do so he always has to use the strength which God Himself has given him. Consequently, if he commits a bad deed he accomplishes it with the help of divine strength and thus does something for which he is accountable before God. He has, in fact, used his will to increase the strength of God's adversary with the strength he receives from God because every bad deed is surrender to the evil power and therefore increases it. The human will turns away from God and towards the evil power with every deed which opposes God and bad intention.

If the human will is good, i.e. directed towards God, then he will always use the energy of life to benefit other people. He will be constantly occupied with helping others, i.e. he will allow his will to become a deed. If the deeds are the result of love, i.e. if love causes the human will to become active, then his will is turned towards God. Therefore the will has voluntarily chosen God and every deed resulting from this will is justified before God, and God evaluates this deed in accordance with the 'will to love'

Amen

B.D. 5378
29. 4 1952

The will is judged even if the deed cannot be accomplished

The will is judged even if the deed cannot be accomplished Yet it always has to be said to you that the will cannot be expressed through words, instead, the will itself is assessed by Me What you feel in your heart, what arises in you as a wish which moves you into action whether to do good or evil that is the will which determines your spiritual process of development and for which you will have to be answerable one day The will has been placed into you, otherwise you cannot be described as beings, and this will in you is free, it cannot be determined by anyone Understand this correctly: the will in you is not subject to compulsion, even though you can be prevented from implementing your will. Therefore, I say your will is judged, which thus can aim towards right or wrong. And therefore it can never be disputed that you humans have free will even if you often cannot accomplish what you want because other people or I Myself oppose your will and the strength of this will either lets you carry out or prevent your intention. The fact that My will often opposes people's will merely serves for their spiritual perfection but it will never be able to enslave the human being's will. The will, however, is determined by the human being's thinking. And again, this thinking can be right or wrong depending on the degree of love which is kindled in a person. This love is divine strength and flows to every being A heart which allows itself to be touched by this strength also accepts the flow of kind thoughts and direct its will correctly, whereas the influx of unpleasant thoughts originating from a heartless sphere will, understandably, be caught by an equally heartless person, therefore his will is inclined towards evil even if the human being cannot implement it His will, however, is enough to make him sinful, that is, his thoughts and intentions oppose Me and consequently result in appropriate consequences. And thus it can only ever be stressed that right thoughts and right intentions can only be summoned by a loving person, for love puts everything right, the human being must surrender himself with all his will, because through love his thinking can only be good and inclined towards Me, Whom he recognises as his Creator and Father of eternity. His will must aim towards everything that leads to Me even if it is prevented by an opposing will because I Myself will pull a person who, by way of love, has acquired the right to possess Me And since every person is capable of loving and thus can think and want correctly he is also accountable for this will of his and therefore everyone will be judged according to his will.

Amen

Good and evil Law of eternity

I also concede to evil but it is never My will, because evil contradicts My eternal law, it is a wrongly directed will which withdraws from Me and strives towards something entirely ungodly a condition which completely opposes the original state of My created being However, My created being has to have the option of aspiring towards good and evil, thus good and evil have to exist if the being wants to remain perfect or to become it of its own free will. Everything which contradicts My law of eternity is evil, everything which remains within My eternal order is good; but the fact that the being can sense or develop a desire towards either direction within itself is My will, and that it can feel every longing in its heart is My work. My wisdom and My love are the reasons why I have created the being in this way because I want to guide it towards eternal bliss and this necessitates being able to voluntarily aspire towards good. In order to develop strength it has to meet with resistance in order to be good the human being also needs to have the option to be evil and to become or remain good of his own accord, or his perfection would be a mere act of My love but would lack the highest degree for which free will is indispensable which, however, first has to be tested.

Evil can never be called good and can never be said to originate from Me although I also allow room for evil, although I concede to it. Evil thoughts, evil talk and evil actions are outside of My divine order But if My will prevented the human being from thinking, talking and doing evil he would not be a free, independent and self-determining living creation but a mere product of My willpower which could never assert its claim to become perfect. But I want to shape perfect living beings for Myself which I can enlighten with My strength of love and, by doing so, make them extremely happy. And for this purpose they need to have passed the test of will to aspire, of their own accord, of their own free will, towards the highest degree of perfection This also requires the option of descending into a state of imperfection, the furthest distance from Me. My will is and remains eternally good, and anything which voluntarily submits to My will shall also be and remain good; anything which acts contrary to My will thus prefers evil and I will not prevent it, although it deprives itself of its own perfection, it does not pass its test of will. And even if it has descended into the deepest abyss it inevitably has to ascend again of its own free will, although it needs an infinitely long time to once again achieve a degree of perfection which would allow My proximity. And precisely for that reason its will has to be given some leeway in order that the eternal divine order can be counteracted, but I will never approve of it nor shall it ever be My will. Thus good and evil will continue until every spirit has been redeemed, that is, until everything which has emerged from Me has passed its test of will to voluntarily aspire towards good, the Divine, until it has found Me of its own free will and as a most perfected being will then be able to enjoy all delights of eternal bliss

Amen

B.D. 5141
31. 5. 1951

Unjustified objection, being destined to be evil

Whatever will serve you as a blessing shall be given to you by Me, but whatever delays your spiritual development is not My will but the will of the one who wants to separate you from Me. Even so, I allow it to happen so as not to take people's freedom of will and belief away, and also to motivate you to test what comes forth from which spirit. Everything can be beneficial to you, for even evil can serve your development in so far as you learn to recognise and despise it and thus make a choice for good or evil, which also necessitates the knowledge of both. Yet evil does not originate from Me but from My opposing power, which thus also influences the human being's will in order to gain him. The human being, however, makes his own decision.

Where My adversary finds approval it cannot be said that it is My activity on the human being, because the human being is not forced into actions and thoughts but approves them voluntarily and because he has the ability to differentiate between good and evil. This is why he is responsible for the direction of his will, and therefore he also creates his own fate in eternity. And no-one will be able to say that I didn't approach him, the destiny of every person's life provides him with ample opportunities which enable him to recognise a guiding and determining Might Which reveals Itself to him. If he ignores these opportunities or if he agrees to regress then he is abusing his free will and thus uses it in the wrong direction. He hands himself over to My adversary's power without having been forced by him. Hence it is an unjustified objection that the person, having been unfavourably influenced, was unable to do anything but to act evil and that this bad influence compelled him to be evil by providence The destiny of a person is always shaped such that opportunities for higher development prevail if he is of good will The human being need not fail if he himself does not want to fail For he is at all times at liberty to appeal to Me for help, which will always be granted to him And every sorrow, every stroke of fate shall encourage him to make this appeal, then the human being will never be at risk to fall, for I Am only waiting for his thoughts to turn to Me in order to seize and hold him to prevent his fall. The prayer to Me is the defence against the one who intends to harm him. The prayer to Me provides strength and fortifies the person in every temptation. The human being stands between two powers and has to choose one of the two. Both will understandably affect him and try to win influence over him. This is why I allow My adversary's activity, yet I do not leave the human being defenceless to his power, but through adversity and other strokes of fate I try to encourage him to call for Me, because only when his will has made a decision for Me will I be able to intervene with My might and love.

He must turn to Me in absolute freedom of will, and if he doesn't do so voluntarily I have to prompt him through all kinds of serious difficulties which, however, can only ever further his soul's salvation and are therefore permitted by Me. But evil is caused by the human being himself by allowing himself to be controlled by the one who has turned loved into the opposite and who therefore will always act evil and unkindly and thereby can easily be recognised. But I will not stop him, for his activity also aims to achieve the decision of will But blessed are they who let themselves be driven to Me, who realise his intrigues and want to escape from him I will seize them and draw them up to Me, for they have used their will correctly and passed their test of earthly life

Amen

God's permission Human free will

Human free will is the reason for everything people inflict on each other, which so often results in unspeakable suffering and yet is permitted by God. Although His almighty power could indeed prevent it but it would be a restriction of free will if the human being was prevented to carry out what he wants to do. If God took his free will away the human being would be forced back into a state of compulsion. It would be impossible for him to test his free will during his period of life on earth. A human being has to be able to accomplish what he intends to do, only then can it be said that he has the means of self determination during life on earth. Only when the effect of free will, in a bad sense, is directed against people who are consciously connected with God and who pray to Him for protection, will God prevent the latter from being harmed by bad will, but then the bad will is judged as an accomplished act.

At the moment an endless number of people are subjected to the same ill will, thus they also share responsibility for the suffering of the time if they approve of actions which result from it. They will not be free from guilt until they reject acts of evil. Condoning an act of evil makes them partly responsible for the suffering that results from it. However, what countless many people consider right, although it is the greatest wrong, will not be reversed by God because people need to understand their wrongdoings themselves or they will always do the same again without recognising their wrong as such. Nevertheless, this does not mean that God's justice will not intervene when humanity's activity becomes so extensive that humanity itself is in danger. But even this intervention is merely to let people's free will become active again and, in view of the huge suffering, turn towards good so that the human being now, of his own free will, strives to make up for what he, due to his previous approval, either directly or indirectly has caused himself. God must permit humanity's actions, He does not want to determine the will of a human being before making his own free decision. However, when he has finally decided, God will reduce the effects where necessary and permissible without interfering with the free will of the human being

Amen

God's will or permission Free will

All events are justified in My will since eternity, but always taking into account people's will during their last stage of development, as not to render it unfree. And thus the consequence of every event is recognised and therefore even permitted by Me if it was caused by the human being's misguided will. Thus I will always and ever participate because nothing can happen without My will or My permission. The human being's free will has to stay inviolable if his spiritual higher development is not to be made impossible. And therefore he can use this will in every direction, he can misuse it, but then he also has to accept the consequences himself. Anyone who acknowledges the freedom of the human will can therefore also understand humanity's serious difficulty, because it is indirectly caused by people who use their will contrary to My eternal order for actions, decrees and attitudes which have a damaging effect on their fellow human beings.

That, as a result, the hardship is also very extensive, that higher development is inhibited and the spiritual state is deteriorating to a minimum, has to be equally comprehensible to a person, considering it is imperative that My eternal order has to be upheld if the human being's soul is to mature, and that every violation of My order signifies a spiritual decline and, at the same time, earthly hardship the means of correcting a deplorable state of affairs which is damaging to the soul. I cannot, by virtue of My will, guide people's thoughts into the right direction and invalidate the human being's free will, because this in turn would be an offence against My eternal order, which is based on the most profound wisdom and greater than great love for My living creations. Thus I cannot become untrue to Myself by changing in accordance to human will what I once recognised as supremely wise and thereby declare My will to be inconsistent. My will is firm and irreversible, and thus I will also let the human being's will be free, I shall merely use its effect again for each individual person's soul, as My wisdom deems beneficial. And in this context you also have to appreciate every event, even if its effect causes you suffering you should nevertheless recognise My hand and trustingly take hold of it, because I know everyone's will since eternity and therefore also direct each person's fate in accordance with his will.

Nevertheless, you can still live a calm and carefree earthly life as long as you faithfully entrust yourselves to Me, because My will can banish everything, including the effects of evil thought and action of those who intend to harm you but without preventing their free will I know you since eternity but I also know the people whose will is turned against Me and who abuse their freedom of will And My plan is predetermined ever since eternity too Hence you, who want to be My Own, need not fear your fellow human beings' will either, as long as you love Me and ask Me for protection against everything that is hostile towards you But understand that and why so much misery surrounds you, why I permit it and let humanity's will run its course All the same, My will is in charge of everything that happens because My eternal wisdom recognised what is beneficial for people's souls in the last days

Amen

Effect of free will.... Sudden death....

Even world events proceed according to My divine will. Although human will is the driving force I nevertheless knew people's will an eternity ago and direct the outcome according to My wisdom, so that, in the final analysis, everything can contribute towards the souls' perfection as long as they don't openly reject it, that is, deliberately strive downwards due to their association with My adversary. For every event can have positive as well as negative effects, every event can be experienced by one person.... i.e. his soul.... as helpful, whereas for another it can be an obstacle towards higher development. I, however, know the outcome and therefore allow the human will its freedom. But the consequences have to be accepted by people again who seemingly had no part in it, nevertheless they, too, have to suffer such strokes of fate in order to mature fully.... Everything is known to Me for eternity, and My plan of Salvation was based on people's free will.... And human will sometimes causes confusion on a huge scale, the consequences of which must be endured again by the human race.... For as soon as divine order is ignored, chaos is the inevitable result, and people will subsequently have to suffer under this chaos. Yet it is the time of the end where almost no-one lives in divine order anymore, where only a small part of humanity endeavours to live according to My divine will, while all others transgress the law of order and thus a state of lawlessness is recognisable which results in lack of peace, hatred, hostile conflicts against each other and totally disorderly situations, in all sorts of miserable conditions.... For calmness and peace cannot reign where spirits of darkness are evoked through actions adverse to God.... there can be no happiness and no order where love does not exist, and love has grown cold among people. The prince of darkness incessantly impels people into acts of hatred and unkindness, and only ever greater misery can come out of it.... even if it is kept hidden from the general public it will nevertheless be recognised by every person who still wants to abide by the laws of eternal order.

However, I have also designated an end to this behaviour by people, to their sinfulness, which is expressed by their activities, for soon the time will be fulfilled, and soon everyone will have to reveal their own attitude and justify himself for his innermost feeling, for the time will soon expire which was granted to My adversary and which he has truly used well.... The eternal order will soon be established again as it was promised in Word and Scripture. Many shocking events will still take place before the end, people will be subjected to many rude awakenings and become conscious of the fact that every day could be their last.... and good for him who lives his earthly life appropriately. Nevertheless, My messengers will always inform them of what the human race can still expect.... Time and again My obvious activity will be pointed out to people, which could provide them with the evidence of a Power Which is in charge of everything, Which directs everything according to Its will, but without excluding people's will. Yet you humans can certainly take actions, in a good or a bad way.... but the effects of your actions are determined by Me, as I Am aware of all people's will and therefore always protect those of good will, even if they are plunged into greatest anguish through human will.... In that case, it will only be a blessing for their souls, and one day they will recognise My guidance and nevertheless be thankful to Me for the arduous destiny imposed upon them. However, you should always bear in mind that I will never enslave the human being's will, that every person can think and want at his own discretion, but that every person must also accept the consequences of his will, that one day every person must give account of his will, regardless of the outcome of the implemented action. And My permissions are indeed justified, even if you are unable to understand this because you know that I Am not lacking the power to stop another person from implementing his will. I, however, have a view over every person's progress of life, I know his maturity of soul and I know, what can still serve him to raise the latter.... I also want to confront every person with their own death, which no-one can avoid when it approaches him. And if I merely achieve that it reminds all people of the fact that they, too, can pass away at any minute, it is already an achievement for the individual person's soul. It is an approach by Myself, it is My direct intervention in his thoughts, which he then will certainly be able to direct according to his will but which can also lead him to the right path, because I leave no stone unturned in leading people onto the right path and because I alone know the right means in order to still achieve small successes, to gain a few souls before the end, which is not far away anymore....

Amen

What comes first, the human free will or God's Mercy?.... How do gifts of grace become effective in a man?....

Will - Grace (Objection Philippians 2 - 13)

Spiritual standstill sets in when the human being's will is too weak to overcome obstacles. No further progress can be made anymore. Although everything depends on God's grace, the human being must participate in order to become richly blessed, he must use his will and appeal for strength, then he will strive towards ascent. No way exists which excludes the human being's will, and thus he must activate his will first. No person can be released from this. Were God's grace designated to come first, the human being would be released from actively using his will. And this is an error which, in turn, results in further errors. God's grace and mercy certainly take hold of a person by providing him with every opportunity for his final deliverance. For it is an inconceivable grace on the part of God that the human being may travel the path of earthly life in order to return to Him again But in the stage of free will, only free will is decisive as to whether or not he will receive further blessings; otherwise life on earth would not be a probationary period which the human being has to pass. God wants to convey the pure truth to earth. Thus He must clarify where people are mistaken or have erred. He must rectify that which hitherto has been misunderstood, for He wants to separate the truth from the untruth. If the human being resists God's effort to guide him into truth he also actively uses his will but in a God-opposing way and he can never become enlightened. God gave the human being the ability to think things through and to make a free decision. This is God's grace again, nevertheless, the free decision depends on the human being's will in turn, thus a person must want God's grace to take effect in him His will opens the heart to become receptive for God's grace, and his will must also make use of God's grace It is this clear realisation which lets a person develop a sense of responsibility in the first place, whereas the hitherto wrong attitude that the human being is incapable of doing anything without divine grace that this motivates the human will in the first place weakens his urge to be active. In that case one could not speak of a person's free will, if God Himself were to influence this will by conveying His grace. Unlimited means of help are certainly at a person's disposal, thus it is made easy for him to let his will become active, yet the latter must be done by the person himself of his own accord. The actual purpose of life is for a human being to make a decision for or against God of his own free will Consequently, God will never precipitate this decision by determining the human being's will, for this would truly defeat the purpose of life on earth. This is why people are repeatedly informed so that they will pay attention and release themselves from that which is mistaken, and from those human ideas and human interpretations which became erroneous without consciously intending to spread error. Yet precisely this interpretation, that God Himself determines the human being's will, carries much weight for it leads to wrong thinking. Neither the Deity can be properly recognised nor does it strengthen the human being's sense of responsibility He will ultimately only rely on divine grace, which seizes the person depending on divine will which flows to him, providing that God has intended to bestow grace upon him. But in that case he could not be held accountable if he does not reach the goal given to him at the beginning of his embodiment. The crucial point can only be found in free will; however, anyone who argues the human being's free will regards himself as a puppet which is always and forever guided by a higher Power without taking any kind of active part in it. God's wisdom and love prevents a restriction of will, otherwise higher development would be impossible for the human soul and the long process on earth would be unnecessary if God's will were to select the aspirants for God's kingdom by conveying His grace to them, which people would subsequently seize and thus be safely guided by it into the kingdom of heaven

Will and grace (Which comes first?)

Divine love seeks to enlighten people and people don't accept the light However, the human being has free will, therefore he cannot forcibly be guided into realisation; thus the grace of God flowing to a person is not used because his will resists it. Consequently, the will must come first God's grace can only become effective if the human being is willing to let it take effect in him. The world is in spiritual darkness, for although God constantly wants to help people with His grace, they pay no attention to it and remain dark and unenlightened For this reason people must learn in different ways how little they are enlightened by God's spirit They themselves must come across contradictions on the part of those they presume to possess truth and light They must see themselves confronted by questions the answers to which are beyond their knowledge, so that they will then take the path towards realisation of their own accord. For God's love and care constantly guide His living creations such that they can find the truth if the will for it arises in them. The gifts of the spirit are truly the only guarantee for pure truth, and anything that does not concur with it can unhesitatingly be rejected as falsehood. Spiritual gifts must be interconnected; they must provide clear and understandable explanations about God's activity and reign in the universe, in the earthly as well as in the spiritual realm But they must also be accepted as such, that is, their divine origin must be acknowledged if they are to effect a person as a manifestation of God's strength. For the gifts of the spirit are gifts of grace, offered by God's greater than great love to people to make the path of ascent easier for them But these gifts of grace can only be effective if the human being accepts them as such, if he does not offer resistance by rejecting them but faithfully allows their effect on him, and this requires his will. If, however, he offers resistance, that is, if he inwardly rejects them, the effect is out of the question, otherwise a person would be guided into light, i.e., into knowledge, against his will, which would curtail his freedom of will. Grace is an endowment, thus it is a gift the human being is not entitled to; nevertheless, God expects people to respect His gift of grace, he expects it to be appealed for and gratefully received if it is to take effect as grace Consequently, it is also right to say that God's grace comes first; however, if the grace is ineffective people will not feel it as grace either

Amen

Free will must accept the light

I want to bring you light because you are living in darkness I want to lead you out of the darkness of night into the light of day, I want to enlighten your spirit and illuminate you with My light of love, I want to make you happy because you are miserable in your spiritual darkness. I want the sun of My spirit to shine upon you I want to give you that which you are lacking: the pure truth from God I Myself want to teach you, for then the darkness in you can no longer reign, then the light of My love will radiate into your hearts and make you blissfully happy, for then you will no longer repel Me, as you did when you fell away from Me, but listen to Me once again and accept the light of My love, as it was in the beginning The fact that you humans are lacking light cannot be denied by you, for you have no idea about the meaning and purpose of your existence, about the reason for your earthly progress, about the meaning and purpose of any work of creation you have no knowledge about the correlations and especially not about your relationship with your God and Creator You don't recognise your Father in Me and are unaware of the goal that you ought to unite with Me as your Father of eternity in order to be eternally happy again, as you were in the beginning. All this is unknown to you and neither do you question it, and thus you live in darkness and don't look for the light but this state is a wretched one for you, because darkness also amounts to death, only light is really life But I want to awaken you to life from your lifeless state and therefore I bring you the light. And trust Me, this light will make you happy, you will be glad when you know about everything and can live your earthly life consciously because you want to reach the goal which comprises eternal beatitude. I do not want you to continue your life on earth in this dark state nor do I want you to take notice of the deceptive lights which neither spiritually enlighten you nor give you bliss I want to give you true light, knowledge which corresponds to the truth and which must originate from Me because only I Am the primary source of truth, because I Am the light of eternity. You humans are My creatures and therefore possess My love because you emerged from My love. But I always want to give pleasure to that which belongs to Me Darkness is not a blessed state, only light can give joy to the being, and I want to give this gift to you. Yet I can only ever just offer you My gift of love and then your free will must be willing to accept this gift I can and want to do whatever it takes in order to return you to a state of happiness but one thing I Am unable to do is to give you against your will that which you need to be happy. I can certainly offer you light but I cannot force you to accept it and to let it shine into your hearts You must open your heart to Me and allow the ray of My light of love to enter it, then everything will become bright and clear within you and you will be happy And since your free will is the only decisive factor as to whether you move in the darkness of night or in the light of day, I can only ever enlighten you of the fact that this free will determines your destiny, your fate, in eternity that you have to direct your free will towards Me by relinquishing your opposition and strive towards Me with all your mind And you will be brightly illuminated by My divine light of love, then you will receive the kind of knowledge which will bring you joy, for you will realise all correlations and find out about your origin, about your process across the earth and your goal And as soon as you become enlightened you will also find the path which leads to Me And you will walk it of your own volition in order to reach Me, because in the light of truth you finally recognise Me Myself, because then you will love Me too and aim to join Me forever And I will never ever let go of you again, for My love brought you into existence and My love will pursue you until you have become My Own eternally

Amen

Free will must accept the truth....

You can endorse everything I say to you before the world; for it needs the truth, with error and lies it will never find the path to Me. You humans might wonder why I allowed the error to become so widespread and I can only ever respond with the same answer, that your free will alone is the crucial factor as to whether or not you live in truth or in error. The fact that large congregations formed which continuously advocated their misguided opinions is also only based on their founder's free will, and the fact that untold people followed him again without forming their own opinion, without thinking about the responsibility of their attitude, must likewise be based on their free will.... Free will may neither be infringed upon by Me nor My adversary, yet My adversary has a far greater number of followers, because people don't think but leave this to the leaders whom they follow blindly. Yet they alone will not have to bear the responsibility for all their followers will also be accountable, and only the degree of love each person carries will decide which fate they will have to endure one day. And wherever it may be, time and again I will send a spark of light which can ignite again. My spirit will become effective everywhere, because people will also repeatedly attain a high degree of love again which will subsequently also offer Me the opportunity to reveal Myself, so that the pure truth can be conveyed to people over and over again. But who will accept it? Every person who portrays Me to his fellow human beings differently than they imagine Me to be is rejected, and therefore it is rarely possible to convey the truth to them. And no matter how clearly and unmistakably My Word is given to them.... people reject it.... because they are influenced by My adversary, who will always fight against the truth and has great power due to the fact that only a very few live a life of love according to My will and thus are no longer exposed to his interventions. And that is where My Word.... the pure truth.... will be accepted, they will recognise it as truth without their will being compelled.... But since the truth is offered to everyone, those people who did not accept it will have to accept responsibility for that, for they could just as easily have believed My Words as they did with error, because they possess free will.

And thus you, who want to serve Me, need only ever confront them with the pure truth, and every single person will have to form an opinion of it. If he is seriously interested in the pure truth he will reflect on it, and then he will no longer be unreceptive to My revelations. This is why the spreading of My doctrine is the most important thing for which I require you as servants in My vineyard, for love must pass it on, it must be offered with love, and thus it will also appeal to every person who likewise practices love and therefore is receptive to the truth. This battle between light and darkness will continue until the end, the adversary will become increasingly more powerful because people's free will allows it.... But I will also convey the truth to earth until the end, and this will highlight his activity and expose him, but it will only ever be obvious to those who are open-minded for the pure truth, whereas the others will hold on to their error and defend him. Even so, every soul you save from My adversary's trap is won for eternity. And the fact that in the kingdom of the beyond only that person is enlightened who knows the truth should impel you into increased vineyard work.... Consequently, anyone who does not let go of his error here, will take it along into eternity and be unable to attain bliss until he abandons his erroneous thinking. And again, it only depends on his degree of love whether realisation will come to him with lightening speed on entering the spiritual realm, so that he will let go of the error.... Therefore never forget to put the commandment of love first.... never forget to encourage people to live a life of love if they care about their souls' salvation.... Then a person will already have quiet doubts about his hitherto advocated truth. And then it will also be easier to bring him the truth, he will accept it without opposition and yet without infringing against his free will....

Amen

Free will must accept spiritual knowledge

Wherever you have the opportunity to clarify spiritual matters, make use of it and you can always be assured of My support. For nothing approaches you accidentally, everything is ordained by Me as I recognise it to be useful and beneficial for people's souls. Much error must still be clarified and I know which people are of good will. I try to convey the truth to these so that they will begin to understand and don't pass on their misunderstanding to their fellow human beings' detriment. But I can only ever take effect where people's will applies to Me, so that no further opposition exists towards Me as God and Creator, for such opposition obstructs all avenues and prevents a person from accepting what is conveyed to him as truth. I Am a God of love, wisdom and power and yet committed to My law of eternal order. I cannot infringe against this law Myself because I Am a supremely perfect Being, consequently, this eternal law was also devised according to My perfection. And thus I cannot, by virtue of My power, enslave a created free being by imposing My will on it And by virtue of his free will the human being can know the truth but also believe the most blatant error without being hindered by Me However, the slightest will to know the truth will assure it to him, because I have the power to do so and because I recognise the will and thus arrange everything such that the person is guided into the truth.

Everyone willing to serve Me, thus everyone who works in the sense of enlightening his fellow human beings, must be spiritually awakened himself, that is, he must have an intimate mental bond with Me and through loving activity so deepen this intimate bond that he thereby establishes contact with Me, thus enabling My influx of love which demonstrates itself in the form of transmitting the truth. Only when he has the truth himself can he pass it on to other people, and then I will bless him and truly provide him with an abundance of spiritual thoughts, and he will not need his intellect as much if he listens to the voice of his heart. He will let himself be more guided by his feeling and can still very successfully accomplish his work because he can always be certain of My support when it concerns that light shall be carried among people. You must just allow yourselves to be guided without resistance, that is, comply with all inner instructions which you experience as your own but which will always be caused by My will, which gives you the right thoughts. I can use anyone who merely feels the inner urge to possess the truth and to pass it on as a suitable labourer in My vineyard, for he will only ever work according to My will which he feels within as his own desire and, therefore, which he would like to live up to. And I will smooth his every way and also guide his thinking right Yet there are only a few who seek enlightenment and approach the source of light, there are only a few who are not satisfied with the spiritual knowledge they receive from outside, who try to get to the bottom of everything and are in heartfelt contact with Me Therefore the truth can only rarely be conveyed to earth from My side, nevertheless, it will be spread because the light prevails and will time and again shine for those who want to leave the darkness. And the deeper they penetrate the truth the stronger their inner urge to enlighten their fellow human beings is, and then a person will be a true worker in My vineyard, for he will tell people on My behalf what they should and indeed could know if only they opened their hearts to let bright light shine into them And even though there are only a few they will nevertheless not work in vain, for the effectiveness of the strength of light should not be underestimated And therefore just pay attention to My guidance and also accept every happening as divine providence, for I alone know people's hearts and I alone know what their souls need in order to mature fully

Amen
